

A new city hall complex to cost about \$1.3 million is planned to replace these four structures, said by city commissioners to be antiquated and in need of replacement. At left is the city hall

and next is the fire station. Then, the World War II barracks library and the city hall annex. Voters will decide whether the new complex should be built in a vote set for June 4.

Chamber Boosts City Complex

Directors of the Canyon Chamber of Commerce passed a resolution Monday night throwing full support behind city commission plans to construct a new city hall complex here.

In a unanimous vote, directors voted to support construction of a \$1.3 million city hall building which will include new library, police, fire and city office facilities.

The board move is not an unprecedented action. In the past, the chamber has gone on record

for what board members term "progressive and forward-looking community projects."

A move to seek board of directors support came as an additional item — not on the agenda — Monday night just as directors were about to close out their regular monthly meeting.

They also issued a statement of support, which reads:

"The board of directors of the Canyon Chamber of Commerce is unanimous in its feeling that the proposed new city hall build-

ing will be a manifestation of the kind of progressive and upsurging economic and physical growth which Canyon is experiencing and will continue to experience.

"We believe an attractive, well designed and functional city hall building will be an asset to merchants and citizens alike as an illustration of prevalent progressive attitudes in Canyon.

"Canyon has long outlived the usefulness and utility of old structures, adequate in former

years for the city's business. We urge the support of all Canyon citizens in the city commission's effort to upgrade facilities to bring them in line with the spirit of our town-on-the-move."

Voters will go to the polls on June 4 to vote on whether or not the city commission should let bids for construction of the city hall building at a projected cost of about \$1.3 million. The election will not be a bond issue, but will simply be a voter expression of opinion on the construction project.

In other business Monday night, chamber directors held a brain-storming session with Don Curfey, representative of McCormick Advertising in Amarillo.

Curfey was asked to meet with the directors to discuss possible production of two campaigns to promote Canyon — one to urge local residents to shop at home, and the other to urge Amarillo residents to move to Canyon to live.

Curfey was frank in his discussion and told directors they should probably not try to hire an advertising agency to produce a promotion for a shop-at-home effort. Impetus and the ideas for that promotion, he said, should come from the directors themselves and the local news media.

Curfey said a long-range — possibly three to five years — promotional package could be produced for the chamber which could be expected to produce results in the effort to have Amarilloans move to the city to live.

City Calls For Election On June 4

Canyon city commissioners virtually without discussion Monday night ordered a special election for June 4 for city residents to say "yay" or "nay" to construction of a new city hall building.

The election will not concern a bond issue or any other aspect of financing of the proposed municipal building.

Commissioners adopted a resolution calling the election and then ordered the election.

City Manager George Louder recommended commissioners not construct a community center as part of the overall project.

The election has been called in compliance with an initiative petition presented commissioners in April which called upon them to submit the construction issue to the voters before bids were sought for building the new complex.

Voters on June 4 will vote either for or against the following proposition: "Resolved: That the city commission be, and is hereby, authorized to proceed with the construction of municipal facilities through competitive bidding."

In their resolution calling for the election, commissioners noted that growth and expansion experienced within the city has spawned the need for new city hall facilities.

Louder said he recommends the commission call for bids only on the civic complex itself, a building which will include a new library, fire department, police department and city offices under one roof.

He recommended the commissioners not build a community center, which would cost an additional \$300,000.

Louder said financing for construction of both a civic complex and community center would of necessity be of long-term nature.

Louder passed around to students and residents at the meeting a sheet showing the projected cost of the construction project and the sources of revenue for the construction.

(See ELECTION, page 5)

Architect Hired To Plan, Design 3 New Schools

An Amarillo architectural firm was hired Tuesday night by Canyon school board members to begin planning and preliminary design for construction of three new schools in the district.

Cantrell & Co. Architects of Amarillo, the same firm which designed the new Canyon High School vocational wing, presented its contract for signature at the regular board session.

Work will begin this week on planning for the new schools, which school board members decided two weeks ago are needed.

The contract calls for the architectural firm to receive a 6 per cent fee, but if a probable bond issue for construction of the new schools does not pass, the board would owe nothing for the architectural work.

The contract is for planning and design of a new middle school, a new high school and a new elementary school.

The school district owns a large plot of land just south of Amarillo where construction of the new middle school and high school are expected. The location of the new elementary school has not been decided.

Supt. Jerry Jacobs told board members at their regular meeting two weeks ago that the need for the three new schools is immediate and would probably be concurrent.

In other business Tuesday night, board members heard Canyon businessman Jim Sands complain about the fact that he was not given the contract for

photographing the CHS seniors for next year even though his bid was lower than the firm contracted with.

Sands told board members he submitted a bid which was \$2 per senior while the firm which was given the contract, Marquis of Enid, Okla., bid \$5 per senior.

He called on the board to compare the quality of his photographs with the quality produced by the Oklahoma firm.

Board Pres. Tom Keeling told Sands the board will talk to CHS Principal John Sommer for his reasoning on selection of a senior photographer.

Sommer was not present at the Tuesday night meeting.

Mrs. Don Sheets, Mrs. Don Dolle and Mrs. Gene Carlisle,

representing the Canyon Study Club and the Rex Reeves PTA, presented their proposal for revamping of the Rex Reeves Elementary School playground to the board and asked board help on maintaining the playground.

The women outlined plans for purchase of new playground equipment, including a large climb-in, climb-on and slide-down piece designed by West Texas State University art professor Daryl Smith.

The board told the representatives they will assume some responsibility for maintaining the playground and will move several large pieces of current equipment to meet the plans for the renovation.

(See SCHOOLS, page 5)

Students Petition WTSU Board For Recruitment Of Minorities

A student petition with 400 names was presented West Texas State University regents Wednesday here calling for the hiring of a full-time recruiter of minority students.

The petition was presented by Jesse Toscano, senior, and calls for the position to be filled by a person of minority descent who could recruit and counsel minority group students.

Regents, acting on a suggestion by Board Chairman Cloyce Box, asked WTSU President Lloyd Watkins to make an administrative staff study of the possibility of hiring a full-time minority recruiter.

The administrative study and recommendation will be given the regents at their next meeting in September.

In other action Wednesday, regents approved a \$12 million operating budget for the next academic year, a budget Watkins termed not only "tight" but one which he said represents a deficit.

The regents also gave the go-ahead to the regents executive committee to negotiate with one of four recommended architectural firms and begin plans and preliminary design proposals for a new Fine Arts Building on campus.

They approved bids for \$390,000 in ad valorem tax bonds to be issued by all universities in the state for building maintenance and renovations.

And, they okayed conferring of tenure on about 40 faculty members and promotions and merit raises for another 30.

Regents reviewed a new reorganization structure for the administration and okayed the naming of Dr. Ronald Huffstutler, formerly a math professor, as assistant academic vice president at an annual salary of \$24,000.

The new administrative structure places research at the university under Dr. Ray Malzahn, academic vice president, and places Keith

Winter, director of development in a position commensurate with that of a vice president, according to Dr. Watkins.

Toscano appeared before the board with two other students to present his petition to the board.

In approving next year's

operating budget, the regents noted that the available revenue in the budget represents a decrease in the general reserve of the university of about \$300,000 or about one-half the reserve.

Watkins attributed the dip into the reserve to the dip into

(See PETITION, page 5)

Even With Drought Water Usage Stable

While moisture from the skies has been less than prevalent since early October in Randall County, figures from the City of Canyon reveal that water from the ground has not been pumped onto city lawns at a rate which might be expected.

Robert Rogers, city water head, said this week that city water usage for the months since Jan. 1 has been about average when compared with figures on water usage from previous years. And,

that even though rainfall since Jan. 1 has been almost nil.

April was a month for expanded water usage, he said, noting that more than 52.4 million gallons of water were pumped from the Umbarger well fields to make the month the third largest April in Canyon history. The most water used in an April was used in 1971 when city residents pulled 56 million gallons from the well fields.

Rogers noted, however, that

there are many reasons for the seeming lack of additional use of water since Jan. 1. Not the least of which is that peak water usage periods do not begin in Canyon until about May 1, when lawns begin to green.

Rogers said residents tend to water lawns less on windy days and with many windy days recorded this spring, this phenomenon could come into play.

(See WATER, page 5)

Funds Okay For Exhibit Center

After a many-months delay, funding has been granted through the Texas Parks & Wildlife Commission for completion of a Coronado Lodge Interpretive Center on the edge of Palo Duro Canyon.

More than \$50,000 has been allocated by the commission to finish the project, which began more than five years ago with remodeling of the old concession area on the west end of the canyon within the Palo Duro Canyon State Park.

Dr. Earl Green, head of the interpretive exhibits branch of the Texas Parks & Wildlife Department, said work on the project has not actually ceased on the center project, which will provide, when finished, visitors with a walk-through tour of the pre-history and history of the canyon and the area as well as a glimpse of some of the flora and fauna which can be found in the 120-mile long chasm.

To this point, Green said, the old concession building has been remodeled. The structure, which

lies just below the canyon rim on a slender cliff, opens through windows onto the majority of the canyon floor to the southeast.

Green said display cases for some exhibits have also been completed.

With the remaining funding, he said, exhibits will be completed and the center put into operation.

He said no specific complete date has been given for the project.

Only one of about 30 individual exhibits has been partially completed at this time, he said, but park officials have been busy collecting artifacts for the remainder of the displays.

The interpretive center will be broken down into sections for visitors, who browse through the building. One section will focus on the geology of the canyon. Another will feature the famous auodad sheep, which bounds across the steep canyon walls in small groups.

Yet another will center on the

Rainfall Light In Area

Far northern portions of Randall County received extravagant helpings of rain last week end, but for the majority of the county's wheat farmers the amounts were too little and too late.

While some South Amarillo areas reported as much as 2 1/2 inches of moisture from quick-falling rains late Saturday, the central, western and eastern portion of the county recorded amounts significantly under that reading.

In downtown Canyon, for example, only .57 of an inch was recorded. One Canyon reading was as much as .80 of an inch, though.

To the east, amounts increased, as they did to the north with one resident near Palo Duro Canyon recording nearly an inch and a half.

Even though the amounts were limited in most regions of the county, it was the first substantial rain seen here in several months.

County Agent John Brazzil said Monday the rains were too little and too late for the county's dryland wheat farmers, who have faced dry conditions and

greenbug infestation this growing season and who have watched their crops diminish into dust.

Greenbugs invaded the wheat last fall and caused heaviest damage to the irrigated crop, which is still showing signs of life in Randall County fields.

But, moisture has been the big problem for wheat farmers.

Dryland farmers here have reported to the local Agricultural Stabilization and Conservation Service office that portions of 300 farms should be declared abandoned due to the drought.

ASCS appraisers have spent a good many days this spring eyeing dryland crops which have been devastated by the weather.

Saturday's rains were "too late for dryland wheat," Brazzil said.

Most dryland farmers have already made decisions on what to do with what remains of their crop. Some grazed out the wheat.

Even the small amount of moisture recorded in the southern and western portions of the county, though, will aid the county's grasslands, which are in dire need of moisture to begin greening.

The rainfall will probably not be enough in most cases and in

most areas of the county to make much difference in pre-planting moisture needed for planting summer crops, Brazzil said.

Summer planting on grain sorghum will not begin for another two to three weeks and the amount of moisture received will not be enough to supply adequate moisture for the planting season.

Brazzil said the rains probably aided little the small acreage of irrigated wheat now growing in the county.

He said the county now has about 25,000 acres of harvestable wheat in the early head states.

That acreage of wheat will be about the only wheat harvested this year, he said, due to the drought. Last year more than 100,000 acres of wheat were harvested here and the dryland wheat made about 30 bushels per acre for a record crop.

Brazzil said there is some room for optimism, though, since the usual summer rain cycle appears to have begun in the area. He said more moisture can be anticipated before planting, which could provide potential aid for a good sorghum crop.

"If we can get a good soaking," he said, "you'd be surprised how things can change."

Going somewhere? Or been? The Canyon News wants to know about it — and so do its readers.

Eighth grade American History class, under the direction of Mrs. Charlene Cooper, their teacher, have been presenting plays at Canyon Junior High School depicting moments in history. Here students present a skit entitled, "The Assassination." This skit was prepared for Civil War study. Actors in the skit are, l. to r. in the President's box, Cindy Brasher, Bruce Hartman, Nathan Rackley and Sherrie McGregor. Rich Herrin played John Wilkes Booth who assassinated Lincoln.

New Road Approved

Area highway department officials got more than they anticipated Tuesday when the Texas Highway Commission in Austin approved funding for an extension of Hunsley Road which would allow the road to be tied into both Washington Street and U.S. 87.

All department planning up until Tuesday had seen the road extended westward from Washington to stop short just east of the Santa Fe Railway tracks north of Canyon.

About \$715,000 was allocated Tuesday by the commission for the full extension of the road

from Washington Street to U.S. 87 with a grade separation at the railroad tracks.

The new road will couple with a road to be constructed by Randall County which will lead into the West Texas State University campus.

Ed Timmons of the Amarillo district office of the highway department said the original proposal set before the highway commission called for the road to extend west from Washington to a point just east of the railroad tracks. But, he said, an addendum asked commission approval of funds for the grade separation at the tracks.

The project does not include an interchange grade separation at the intersection of the road with U.S. 87. An interchange is planned at a later date.

The project includes paving the current dirt road which extends west from Washington and construction of new road for .4 of a mile.

Timmons said planning and design preparation could take as much as a year for the construction project. But, he said, he anticipates construction will begin at the start of the summer 1975.

Visitors Prod County Action

A group of county citizens residing in the McCormick Estates subdivision north of Canyon prodded Randall County commissioners Monday into a new position on what had previously been an obstinate stand concerning construction of county roads in the division.

Led by Coy Bartz, who told commissioners he plans to build a home in the subdivision, the citizens asked commissioners to construct two county roads surrounding their homesites.

Commissioners in the past have been sharply critical of the road construction in McCormick Estates and at one point drew up a recordable instrument warning potential home site buyers that the county would not maintain the subdivision roads.

The Monday action by the commissioners represented a break in a long-running feud between the county and subdivision developers Horace Dwight. Dwight has insisted he built two roads in the acreage according to county specifications and last fall built two more roads in a newly platted area, roads the county says were not built to county specifications.

In action Monday, commissioners ordered assistant district attorney Bill McKinney to draw up another recordable instrument for inclusion in deed records to warn possible home buyers that the county will not assume maintenance of the roads in the newly platted area. They released the old McCormick Estates roads from the restriction of the old order and told Bartz and the other residents they will construct new roads and maintain them.

Road Supt. Joe West told commissioners the cost for construction of the roads will be about \$12,000, and with presentation of that figure Commissioners Paul Lindsey and John Fulgenzi again reiterated the county's new stand on maintenance and construction of roads in subdivided

areas. Fulgenzi noted that the county cannot afford to construct or maintain city-type streets in subdivisions if the streets are not built by developers to meet now rigid county specifications.

He and Lindsey noted that new developments with city-type streets put the county in the position of providing city-type street maintenance for a small portion of the county population while other areas of the county have only dirt roads. Lindsey has long contended that the county should not get into the business of building or maintaining city-type streets unless the streets are constructed to strict specifications.

Lindsey illustrated his point by pointing out to the McCormick Estates residents that they paid only \$287.14 altogether last year and yet the county must

spend \$12,000 immediately to construct their roads.

In other business Monday, Fulgenzi reported on a recent meeting between Randall commissioners, Potter County commissioners and Amarillo city commissioners concerning the charges Amarillo fixes for answering fire calls in rural areas of both counties.

Fulgenzi reported that the county's outside auditor, Bill Frances of the Amarillo firm of Dozier, Frances and Pickens, will represent the county along with a commissioner on an ad hoc committee to study the fire fees charged by Amarillo and refigure them in a manner commensurate with good cost accounting procedures.

If the result is an equitable arrangement for all parties concerned, Fulgenzi said, the county may also negotiate with Amarillo on other services which the two provide for each other with little or no charge.

Commissioners appointed Bruce Miner as the county's representative on the Mental Health/Mental Retardation Board of Amarillo.

Meet Tonight On Center For Senior Citizens

Canyon senior citizens will have an opportunity to voice their views and desires concerning possible establishment of a senior citizen center here at a 7 p.m. meeting today in the county courtroom of the courthouse.

The meeting has been called to assess the interest and need for a senior citizens center in the city.

Mike McQueen, director of the Amarillo senior citizens center, will present a brief program on the operation of that center.

Caper Square Dancers Elect New Officers

Canyon Capers Square Dance Club danced Monday evening to the calling of Knox Day and elected new club officers including Tony and Sandy Thomas as the presidential pair.

Other officers elected were Gene and Lurline Johnson, vice presidents; W.T. and Mina Riley, secretary-treasurer; Gene and Phyllis Podzemny, social chairmen. The new officers will take office June 1.

It was announced that the Canyon Capers will be dancing at the Junior Livestock Building in Canyon for the coming three meetings. Visitors are always welcome.

Guests Monday evening were Larry and Vera Johnson, Pinky and Dorothy Kincaid, Joe and Lena Gamble, Oran and Vickie Wadson, Stanley and Ann Gardnet, and Don and Linda Johnson. The visitors were all from the Shirts and Skirts Club in Tulia.

Clyde McDonald Is 'Man With Song'

By LORENA MILLER

Clyde McDonald of 1210 Sixth Avenue is known around Canyon as the "man with a dog," but he is really the "man with a song."

Mr. McDonald has been blind since birth May 6, 1916 and celebrated his birthday Monday with a quiet celebration with his wife, Nell, and best companion, Miesy, a seeing eye dog.

Although Clyde's parents hated to send their son away from home, they sent him when he was five years old to Austin to attend a special school for the blind.

While at the Texas School for the Blind, Clyde was only home to visit with his parents and brothers and sisters during the Christmas holidays and summer vacation months. At the school he learned to play the piano, guitar, pipe organ and violin and learned the proper reading and writing of the Braille language.

Clyde was among ten students of 100 at the school for the blind who were picked to learn all about the piano. "And we learned it all by making a piano ourselves," said McDonald.

As a sideline, Mr. McDonald was taught how to make brooms, mops, door mats and mattresses while at the school. "That was in case we came across bad times or couldn't make our own way with music," stated Mr. McDonald, "and so far I have never had to use that training to support myself."

In 1935 when he graduated from the blind school, Mr. McDonald returned to his hometown of Iowa Park and went into a business tuning pianos. During this time he also had a band of his own in the late 30's and broadcast from a Wichita Falls radio station where he and Miss Ella Mae Smith (now of Dallas) played twin piano for listeners.

"We had great times and many

requests for 'Cow, Cow Boogie,' 'Moonstruck Boogie' and many other ragtime boogies which were popular then," says McDonald.

While playing with his own band, McDonald had several opportunities to play with and against the famous country music star, Bob Wills.

"We had battle dances during the depression where one band would have a date to play and knowing that another band was free and in need of work we would arrange these battles where Wills' band would locate on one end of the dance hall, my band on the other," said McDonald. "We would battle back and forth with our music during the night — and split the proceeds when the dance was over."

"The battles kept us all going during those depression days," stated McDonald.

In 1940, Mr. McDonald became the proud owner of his first seeing eye dog whom he named Helga. "Helga opened the door to freedom," said Clyde. "I had never been alone to do my shopping and it called for a splurge — new shirt, new shoes, a barber-shop haircut, and then a soda at the drug store."

Helga spent many years as Clyde's constant companion and helper. She was followed by Tena, Riki and now Miesy who can be seen walking with Mr. McDonald when he goes to the grocery, post office or has other business to attend to in Canyon.

When the McDonalds met in 1945, they were both passengers riding a Greyhound bus. She was enroute home from Missouri and he was on a piano tuning tour.

Later in 1951, Nell McDonald was working at a coffee shop in Happy when he happened in to order lunch. "He recalled meeting me on a bus several years before and we became friends," stated Mrs. McDonald. They were married that fall in Decatur, Texas.

The widow, Nell, had a young daughter, Nora, who presently lives in Hereford with her husband, Charles Snow, and three children, Nancy, 14, Mike, 12, and Melody, 4.

Mr. McDonald had meanwhile begun tuning pianos and teaching music in Happy and the couple later moved to Canyon in 1962. Since moving here, he has taught piano, guitar and other music to many local citizens along with aid from his wife. Mrs. McDonald is always present for the various lessons and

when young students are having trouble reading their music, she helps with this segment of their training.

McDonald, who has 30 music students for lessons now, has in the past taught banjo and guitar to Francis Shell; guitar to Nick Dodson and Fred Begert; guitar to Carl Miller and his daughter, Carolyn; the Whitten children including Ellis, who learned both banjo and violin, and Lynn and Evan Whitten, who took guitar; and Wayne Price's four children, Jeff, Cynthia, Gary and Chris and many other local musicians.

"Some take music for a hobby and others follow it further," said McDonald. Charles Whitman of Happy took music from Mr. McDonald for 14 years and presently plays accordion for worship services at Soul's Harbor Church in Amarillo. Whitman, who began taking lessons from McDonald in Happy, took instruction on guitar, piano, organ and accordion.

Another of Mr. McDonald's former students, Mike Faulk was last heard of playing with his own band in the Austin area. McDonald teaches students from all over the area and among his 30 students now has some from Happy, UMBARGER, Canyon and Claude.

"I always keep current with what the latest songs on the hit parade are," said McDonald. "When I hear one I want to teach a student I often tape it and then learn it after transcribing the music into Braille."

The McDonalds are members of the First Baptist Church of Canyon. He is also an honorary member of the Canyon Lion's Club and received a 40 year pin for Lion membership last year.

In addition to helping with music lessons, Mrs. McDonald likes to cook, enjoys summer flower gardening and experiments with new foods as a hobby. She also does various handwork items for her home and friends.

Although Mr. McDonald didn't celebrate his birthday until Monday he had already received his gift, a new music book from Nizzi Music Shoppe and a new standard guitar from Gordon Creamer Music Company in Amarillo at a good discount.

"It is the guitar of my dreams," said Mr. McDonald. "I received a personal call from Gordon Creamer Music Company and they asked what I would like at a special discount for sending them many students to purchase music and musical instruments — and so I just told him that I wanted a shiny one with a good deep tone, and thin neck."

"He said 'when do you want it?' and the next thing I knew they had brought this guitar on down here to me," concluded Mr. McDonald, strumming his favorite tune.

Happy Steer Roper To Benefit Events

Roy Thompson of Happy will head a list of participants in early June for steer roping competition at the Mason Bristol Ranch near Fort Worth.

Thompson is a world's champion steer roper. The steer and calf roping competition will be in tribute to the late Windy Ryon of Fort Worth with all proceeds from the two day roping event going to the American Heart Association.

In all, 35 steer ropers will take over the arena in a three go-round roping event for entry fee money. The top 12 will go to the finals for a fourth steer competing for entry fee and added money, plus a trophy saddle to the best time on four head of steer roped.

News Brief

Ben Bentley, Canyon senior, has been awarded the Texas Panhandle Chapter of the National Association of Purchasing Managers Award given by the School of Business at West Texas State University.

Dr. Mattie Mack entertained her niece, Mrs. Merrick Gibson, and a nephew, John R. Ratliff, both from Paducah recently.

Mr. and Mrs. Clyde McDonald

UMBARGER NEWS

Rains Miss Community

By REBA RAE

WELL, WE MISSED out on a rain in Umbarger last Saturday evening, but we managed to get in on the rain in Amarillo. We had started to Amarillo, to play "42" with Don and Gracie and we ran into the rain about Hollywood Road.

WE WERE DRIVING Kevin's Cougar and it did real well until we got to about 38th and Western, when it drowned out. We were in water deep enough to come up in the floor boards and every car that went by us made waves big enough to rock our car. We finally got it started and got almost to Don's, when it died again and this time it wouldn't start. So we called Don and he came to our rescue and towed our car to his house. Then Margaret and Mike brought us home and spent what was left of the night with us.

I KNOW, FOR sure, that I could never get on the ocean in a big boat, as I got sea sick just that short time we were so completely surrounded with that rushing water.

WHAT A WAY to celebrate our 41st wedding anniversary.

ACCORDING TO MRS. Ed J. Evers, April 28 couldn't have been nicer. Her three daughters all came home to help her celebrate her 80th birthday. Earl and Velma Fisher and Alma Halter and Theresa Fenoglio came from South Texas for the occasion. On Saturday evening, her daughter-in-law, Mrs. Ann Evers hosted a birthday supper for Mrs. Evers.

THEN ON SUNDAY, they were all at Mrs. Evers home for a turkey dinner, complete with all the trimmings. On Saturday evening, Mrs. Evers received a phone call from a grandson and his wife, from Arlington and on Sunday, a granddaughter and her family, the Nick Demishocks, called her from Maryland. She received numerous cards and so many phone calls from friends in and around Umbarger. She also received gifts of flowers, fresh vegetables and fresh fruits. A good many friends came by for a few minutes.

ACCORDING TO MRS. Evers, "It was like a dream and I wish each and everyone the best of health and good crops." Our belated "Happy Birthday" wishes to Mrs. Evers.

THE CONRAD WESTHOFF family celebrated Mother's Day a little early this year. Last Sunday, the family gathered at the Westhoff home

for dinner. Attending were Leo and Rita Artho and children, from Dalhart; Margaret and Lisa Frank, from Lubbock; Helen Westhoff, from Whiteface; A.B. and Alice Allen, from Brownfield; Leo and Catherine Freeby, from Houston and Vincent and Gladys Meyer and children, from Umbarger.

IN THE AFTERNOON, Catherine was honored with a "pink and blue" shower in the home of Gladys Meyer. Present for the shower were Mesdames John Wiecek, Tom Sanford, A.B. Allen, Joe Wiecek, Ed Wiecek, Conrad Westhoff and the Misses Helen Westhoff and Karen Artho. Hostesses for the shower were Gladys Meyer, Margaret Frank, Rita Artho and Suzy Hicks.

WE WOULD LIKE to congratulate two of our Umbarger young men. Kenneth Wiecek, son of Ed and Armella Wiecek, received the First National Bank's scholarship award of \$250.00, for outstanding scholastic achievement in Finance. Kenneth was graduated from West Texas State University last Saturday.

ANDY WILHELM, SON of Bert and Christine Wilhelm was awarded a "Cotton John" scholarship for \$300.00 and was also named the outstanding junior with a 2.5 average in the WT School of Agriculture.

OTHERS WHO GRADUATED from this community were Mrs. Darlene Suthers, Keith Rickwartz and Linda Hicks. Lyn Wiecek, a daughter-in-law of the Joe Wieceks was also in the graduating class. Our congratulations to all of them.

ANTON AND AGNES Handing, accompanied by their son and daughter-in-law, Anthony and Nancy and little Joanne, have returned from Golden, Colo., where they witnessed the Baptism of their new granddaughter, Tiffany Diane Kolac.

TIFFANY DIANE is the daughter of Mary and Rodney Kolac. Mary is a daughter of the Handings. Anthony and Nancy were God-parents for little Tiffany Diane. The Kolacs have another daughter, Dametrie.

AGNES SAID they toured points of interest in Colorado, including Lookout Mountain. She said it snowed Sunday night and that the new fallen snow made the scenery even more beautiful. Our congratulations to the parents and grandparents.

WESTERN INK DRAWINGS by Margaret Fletcher are displayed by the artist and will be sold through the Canyon Chapter of the American Association of University Women during the summer months. Orders are presently being taken by AAUW members.

AAUW Reviews Year's Work

A salad luncheon and review of the year's accomplishments was held at the home of Mrs. M. L. Sherrod last Saturday for the Canyon Branch of the American Association of University Women.

During the business meeting, the group approved donations to aid Operation Facelift and the AAUW Scholarship Fund for the fall.

Throughout the summer months, pen and ink drawings on western scenery note cards will be available through AAUW members. Margaret Fletcher was artist for the special western note cards. The cards may be ordered

through Mrs. Frank Blackburn, 655-4577 or Mrs. Gary Fletcher, 655-9874 or any other AAUW member.

Dr. Ruth Lowes was responsible for distributing AAUW membership literature to senior graduating students at the university during the week end.

Mrs. John Rider was in charge of the business meeting with about 35 members present for the final meeting until fall.

Alpha Delta Pi sorority members were in attendance at the recent Sunday morning worship services for the First Christian Church of Canyon.

Fund Drive Begins For New FAB

West Texas Ex-Students, Inc., in cooperation with West Texas State University and the Friends of Fine Arts, has launched a fund drive to raise money for a new fine arts building.

The drive was announced by Mrs. Thelma Evans of Tulsa, president of the former student group.

Former West Texas State students, whose names and addresses are on file in the Ex-Student offices, have been mailed a pamphlet outlining the need for a new building and letters of appeal. Over 18,000 former students are being asked to assist in the project.

The need for more space in the School of Fine Arts at West Texas State has become acute. During the last nine years the average number of students majoring in Fine Arts has increased 105 per cent. The School of Fine Arts at WTSU consists of the department of art, the department of music and the department of speech and theatre.

The new Fine Arts Building

will relieve the crowded conditions in the present building, provide facilities for expanding existing programs and make possible the addition of a department of dance sometime in the future. The new building will house the department of art in its entirety and will provide a recital hall and certain other facilities for the department of music. The vacated space in the older building will provide the necessary additional space for the department of speech and theatre.

The WTSU Board of Regents has set aside \$1 million from state building funds for the construction of the new building, provided matching private funds can be found. Contact has been made with several foundations and trusts which indicate they will be more responsive to re-

quests for grants when the former students and other local supporters of the university demonstrate a financial interest in the project. Mrs. Evans said that any contribution made to the drive will be multiplied several times from the other sources.

Every contributor's name will be recorded in a leather-bound "Builder's Book" to be kept on permanent display in the foyer of the new building. Larger contributors, those giving \$250 and more, will be recognized further with name plates in appropriate public areas in the new building. Gifts to the Fine Arts Building Fund are tax deductible and should be mailed to Fine Arts Building Fund, P.O. Box 2833, WTSU Station, Canyon, Texas 79016.

CITATION BY PUBLICATION

THE STATE OF TEXAS
TO: THE HEIRS OF JUNE COX, Defendant, Greeting:
YOU ARE HEREBY COMMANDED to appear before the Honorable County Court of Randall County at the Courthouse thereof, in Canyon, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of ten days from the date of the issuance of this citation, same being the 13th day of May A.D. 1974, to Guardian's Final Accounting filed in said court, on the 25th day of April A.D. 1974, in this cause, numbered 2811 on the docket of said court and styled IN THE MATTER OF THE GUARDIANSHIP OF JUNE COX, INCOMPETENT.

A brief statement of the nature of this matter is as follows, to-wit: Guardian's Final Accounting of the Estate of June Cox, as more fully shown by Guardian's Final Accounting on file in this suit.

The officer executing this writ shall promptly serve the same according to requirements of law, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Canyon, Texas, this 30th day of April A.D. 1974.

Attest: Leroy Hutton,
Clerk, County Court,
Randall County, Texas.
By R. Mason, Deputy.

Nixon...

(Continued from Page 1)

ventions passed only mild resolutions comparatively following primary balloting on Saturday.

One precinct in South Amarillo passed a resolution calling for the board of the Amarillo School District to provide funds to purchase and maintain adequate books and library facilities for schools in Amarillo, "it being the judgment of the citizens attending the Precinct 20 convention of 1974 that libraries are now completely inadequate."

Another Democratic precinct convention passed a resolution asking that the state legislature be requested to create a commission to control the activities of various utility companies, including rates charged by those companies.

Several Republican precinct conventions passed a xeroxed set of resolutions which included ones calling for:

* allowing children to attend schools in their own neighborhoods

* opposition to the state income tax, either corporate or individual

* support of President Nixon in the performance of his duties as President of the United States

* a state legislative investigation into the effect of regional planning commissions on local governments

* support of various Republican candidates including Rep. Bob Price

* support of the beef industry and a governmental hands-off of that industry

American Party precinct conventions also passed a pre-prepared list of resolutions throughout the county.

The resolutions called for a legislative investigation of regional planning commissions and corrective legislation. Strong stands were taken in the resolutions against regional planning agencies such as the Panhandle Regional Planning Commission.

Only 47 persons participated in the 12 precinct conventions for the American Party in the county.

Schools...

(Continued from Page 1)

The board also discussed briefly a proposed maintenance contract with the Honeywell Company for maintenance of all refrigerated air conditioning and heating equipment in the school system.

Honeywell has proposed to care for all such equipment for an annual fee of about \$38,000.

Jacobs presented cost figures he feels the district spends annually to maintain the equipment under the current situation. As a minimum, he said, the school district now spends about \$56,000 to maintain the equipment. As a maximum the district spends about \$71,000. Both figures include depreciation.

Board members authorized Jacobs to meet again with representatives of Honeywell to discuss the fine points of the contract before final action is taken at their next meeting.

Board members toured the four system campuses during the day Tuesday and following the regular business of their meeting they came up with what they believe may be a solution to a years-old problem on room for the CHS football and track teams.

Keeling broached the subject by suggesting that half of the building currently used for industrial arts and agriculture be converted into a football and track fieldhouse. Currently, football and track teams along with all other sports share dressing rooms behind the gymnasium.

Keeling instructed Jacobs to meet with other school officials and with B.B. Cantrell of Cantrell & Co. Architects concerning possible remodeling of the west portion of the building for a new fieldhouse.

Agriculture and industrial arts classes will be moved from the building next fall as the new vocational wing at CHS opens for student use.

Board members also discussed the possibility of installing a circular-type driveway at the front of the high school building to facilitate loading and unloading of school buses.

The school district's house and eight acres of land at Umberger were sold Tuesday night to B.G. Bell of Amarillo for a high bid of \$12,500. Five bidders turned in sealed bids for the property.

Bob and Joyce Smith have returned from a trip to Denver, Colo. where he spent three days in a hair styling seminar at the Regency Hotel. Joyce spent her days golfing and seeing sights while her barber husband was involved in the course.

Chamber...

(Continued from Page 1)

But, he suggested chamber directors also work on the project themselves since funding for such a promotional effort is extremely limited.

John Childs, chamber president noted that commemorative coins being minted for the chamber will be available by June 25. Chamber members will be given the first opportunity to purchase the coins, which will bear reproductions of sketches by Canyon artist Jim Ward.

One side of the medallion depicts the famous lighthouse formation in Palo Duro Canyon. The other side shows a cowboy atop a horse along with a steer.

The chamber has financed 50 gold plated coins, 150 silver coins, 500 antique bronze numbered coins and 1000 antique bronze unnumbered coins for sale this summer.

The first five gold sets, all numbered, will be auctioned off to the highest bidder during the annual Canyon Days Celebration in late June.

Directors also laid further plans for the celebration which will feature an evening parade and barbecue, a departure from the traditional morning parade and noon barbecue.

They noted that tickets for the King Bros. Circus, due two showings on May 15 here, are available at First National and West Texas State Banks, at the chamber office and from members of Boy Scout Troop 31. Directors voted to continue the traditional July 4th fireworks display again this year.

Exhibit...

(Continued from Page 1)

history of the canyon and the immediate region and another will present the pre-history of the area.

Green said when completed, the center will present in pictures, artifacts and words the story of the canyon for visitors. No concessions will be located in the building.

Water...

(Continued from Page 1)

Residents also tend to begin using peak loads of water on their lawns when the lawns begin to green up, he said.

Rogers said his figures indicate that lawn care is one of the biggest reasons for water usage in the city. Peak loads always come during the hot summer months and fall off during the winter season.

If the trend follows, Rogers foresees a big summer season for the city's water works.

For the first 34 days of the city fiscal year, which began April 1, each day's water usage was well above the same day for last year.

"Basically," Rogers said, "I look for a larger May. If it continues as it has been we'll have somewhere around a record May."

The record water usage during a May in city history was in 1971 when 71 million gallons were used.

Rogers said growth of the city has contributed naturally to the water usage. His figures indicate that 208 gallons of water are used per person in the city each day, well above the state-wide average figures.

Rogers said the city's water usage could approach that of the near-record year of 1971 if more rains are not forthcoming.

But, this year, the city has an almost new reserve system at the Umberger well field which should ensure that no water user in the city system need worry about water.

The new reserve system allows for a peak load of about 4.75 million gallons on a day.

The peak day in 1973 saw 4.155 million gallons pumped.

Teachers Attend Banquet At WTSU

Thirty-seven teachers turned student and their guests attended a banquet May 6 at 7 p.m. at the Buffalo room at WTSU for members and sponsors of the multi-cultural class.

The multi-cultural class was begun to assist the classroom teacher in recognizing the classroom as a multi-cultural group. Samples of work that has been done during the year will be presented. Such things as film presentation, multi-media slide presentation and a transparency story will highlight the meeting.

Representatives from the University of Texas, PESO and WTSU will be present at the banquet.

Funeral Services For Mrs. Ziegler Held Monday

Mrs. Leah Ziegler, age 43, died early Saturday morning May 4, in Neblett Memorial Hospital. Mrs. Ziegler, who lived at 411 Foster Lane, moved to Canyon in 1961. She had lived in Tulsa and Dimmitt prior to moving here.

Born February 1, 1931 at O'Donnell, Texas, she married Jack Ziegler at Dimmitt July 24, 1948. She was a member of Central Church of Christ in Canyon. She was employed as a secretary for W.N.W. Mint Industries in Amarillo for the past four years.

Funeral services were held Monday at 11 a.m. at the Central Church of Christ with Pastor Dwayne Dennis officiating. Burial was in Dreamland Cemetery.

Palbearers were James Cobb,

Zerlon Watson, Burwell Southern, Jeter Dickinson, Bruce Winn, Tommy Jackson, Bill

Petition...

the reserve to legislative chops at the two-year appropriation for the university and also to the mandatory salary increases of 3.4 and 6.8 per cent for university faculty and staff.

Watkins recommended to the board that four architectural firms from Dallas and Houston be interviewed later this month for construction plans for a new Fine Arts Building on campus.

He noted that the firms have agreed no fee will be charged unless funds for the construction are available and the building is built.

The executive committee of the board will review the architects, select one and begin the preliminary plans for the building. The full board will then review the efforts at the September meeting.

Regents named J. Stuart Lawrance as acting dean of the university school of business. Dean Eldon Lewis has resigned effective June 30.

They rejected all bids taken for depository banks for the university's funds and accepted a proposal by Box that in the future the university formulate a standard procedure to qualify banks as depositories and then make selection from those qualified banks.

Regents okayed a contract with Saga Food Service for next year's student cafeteria meals. The contract calls for a 9 cent per day increase in the 20-meal plan and a 10-cent per day increase in the 10 and 15 meal plans.

They accepted a low bid of \$10,839 from Townsend Welding of Amarillo for construction of a livestock arena on campus.

They also approved the submission of several grants to fund such projects as a criminal justice program, a Mars mapping project and a nursing grant application for continued operation of the department of nursing.

Serve No Liability For Top-flight Player

For a guy without a big service, Dale Corbin has certainly made a name for himself in collegiate tennis.

The Wichita Falls senior has won 65 singles matches and lost only 13 during his three and one-half year career at West Texas State University.

"In going through almost four years of college tennis, I still have only an adequate serve," said Corbin. "I really can't understand it. I have a good overhand and that should lead to a good service, but it hasn't. My serving problem may be mental."

The 5-8, 150-pounder may have

only an average serve for a top-flight college player, but it certainly doesn't worry coach David Kent.

"Dale is one of the best players we've had at West Texas State — Period," said Kent. "He's a real fighter. The guy will run through fences to get a ball."

Corbin captured a pair of Missouri Valley Conference championships last spring at Memphis, Tenn., as the Buffaloes captured their second MVC team title in three years. He won the number four singles title and teamed with John Phillips to win the number two doubles cham-

ampionship.

While serving as team captain this spring and playing in the number two singles berth, he has rolled up a 10-2 season record as the Buffaloes stand 12-2. Playing with Phillips, he has a 9-1 doubles mark this year.

Kent recruited Corbin to West Texas after he teamed with present North Texas State player Mark Floyd to win the State Class AAAA doubles championship his senior year.

"I selected West Texas State because I like the Amarillo area and mainly because I was impressed with coach Kent and his program," said Corbin.

When Corbin came to West Texas State he had spent much of his high school playing time as a doubles player.

"I started playing tennis in the eighth grade," said Corbin. "Until two years ago I was certainly a better doubles player than I was a singles man. Singles is so important in college, I worked extremely hard at developing myself. I feel I'm better in singles

now than in doubles, but doubles are certainly fun to play."

Corbin has teamed with Phillips, a senior from Snyder, for two years in doubles. He played with Scott Pool as a freshman and with Canadian Mike Bolton as a sophomore.

"John has a good serve and can get the key points," said Corbin of his doubles partner. "We have confidence in each other and that is a great help. We have won some big sets and that has given us the confidence in each other."

Corbin says doubles is a game of finesse.

"Who wins the net in doubles is the team that wins the match," he said.

Corbin says of his singles play, "For a player without a big service I probably go to the net too often. The reason for going to the net is that the college game is service and volley. It is highly important to maintain control on a match."

"I guess my strongest points as a player are speed on the court and consistency."

The senior chemistry major has maintained a 2.23 grade average on a 3-point system at West Texas State, which is well over a B average. He plans to stay at West Texas two more years to get his master's degree and then seek his Ph.D. at the University of Texas.

News Brief

The LaRoyce Walters family of Amarillo were visiting in the home of his parents, the L. B. Walters, in Canyon Sunday evening.

The senior chemistry major has maintained a 2.23 grade average on a 3-point system at West Texas State, which is well over a B average. He plans to stay at West Texas two more years to get his master's degree and then seek his Ph.D. at the University of Texas.

These six girls will represent Canyon High School in the state track meet to be held May 10-11. These girls are entered in seven of the 14 state events. Girls who will be entering

the events are Alisha Nelson, Lynn Davis, Brenda Stevens, Sheryl Adams, Robena Johnson and Polly Crawford. Coaching the girls are Bob Schneider and John Morrow.

Eagles Down Lobos In Doubleheader

In a doubleheader Saturday, Canyon moved a step closer to the district crown by downing the Loveland Lobos in both games. The Eagles won the first game 5-1 and the second game 4-1. Ed Lair and Ken Cooper were the winning pitchers.

In the first game, Lair threw a four hitter striking out nine and walking two. Bob Sloan, baseball coach for the Eagles, said that the team played excellent

defense committing only one error in each game.

The score stood at 1-0 in favor of the Lobos till the fifth inning. Canyon scored five runs in the fifth. The scoring was started by Ronnie Hicks who drew a walk. He was followed by Lair and Doug Day who were also given a free ticket to base on walks.

Brad Martin and Terry Slagle both struck out. With the bases loaded and two out, Jim Ward walked to force in the first run. Lynn Wright was also walked and the second run was forced in. Cooper, the next batter, hit a

ground ball to third base where the Loveland player committed an error and two runs scored. Wayne Pitt got a base hit and the fifth run scored.

In the second game, Cooper threw a five hitter striking out two and walking only one. This was the first time for Cooper to pitch for the varsity Eagles.

Loveland led 1-0 going into the bottom of the fourth inning. With two out Martin drew a walk. Lynn Wright hit a double scoring Martin and tying the score.

Canyon scored three more runs in the bottom of the fifth inning. Sloan said that he saw the best defense and the best pitching Canyon has had in two years at the game Saturday.

Canyon played Dumas for the district title Wednesday in a doubleheader that began at 2 p.m. If Canyon won both games they would win the district crown. If they lost one of the games, Dumas would be the champion.

Canyon's record after Saturday was three wins and three losses for district competition and 10-14 for the season.

CJHS Wins District Golf Title

Canyon Junior High School Golf Team won their district golf tournament this past week end, according to Ricky Mantooth, golf coach. Jerry Allen, Canyon linkster, was named district medalist with a 254 stroke score for the 54 holes.

Canyon captured the title with a 1078 score for 54 holes. They were followed by Perryton, 1081, Hereford, 1124, Pampa, 1194, and Dumas, 1200.

Members of the team are Allen, Rob Smith, Craig Howard, Ty Pruett, Roger McNabb and Bryan Garner.

The tournament was played on three separate courses, Hereford, Canyon and Perryton, on three separate week ends.

Softball League For Summer To Organize

Managers and interested organizers of softball teams are asked to meet Tuesday night May 14, at 8 p.m. at the First National Bank. The primary purpose will be to organize for the 1974 summer season.

Any interested team representatives that cannot be present are asked to call A. J. Luquette at 655-7536.

Those present at the meeting will discuss plans and rules for the coming season. Six teams entered the league last year.

Pee Wee Schedule Announced

Pee Wee baseball practice is underway for the five teams that will be participating this year. The first game for Pee Wee baseball will be Monday afternoon June 3 at 4:30 p.m. All games will be played at Little League Park at 4:30 p.m.

Coaches for this year's teams are Dave Coronado and Leonard Schmidt for the Cardinals, Frank Davis for the Angels, Lloyd Kurtz for the Rangers, Bill Davis for the Orioles and Jim Rogers for the Red Sox.

Games scheduled for this year are:

Mon.	June 3	— Cardinals vs. Angels
Tue.	June 4	— Orioles vs. Rangers
Thu.	June 6	— Angels vs. Red Sox
Fri.	June 7	— Cardinals vs. Orioles
Sat.	June 8	— Rangers vs. Red Sox
Mon.	June 10	— Orioles vs. Angels
Tue.	June 11	— Red Sox vs. Orioles
Thu.	June 13	— Rangers vs. Cardinals
Fri.	June 14	— Angels vs. Rangers
Sat.	June 15	— Red Sox vs. Cardinals
Mon.	June 17	— Rangers vs. Orioles
Tue.	June 18	— Orioles vs. Cardinals
Thu.	June 20	— Orioles vs. Cardinals
Fri.	June 21	— Red Sox vs. Angels
Sat.	June 22	— Angels vs. Orioles
Mon.	June 24	— Red Sox vs. Rangers
Tue.	June 25	— Cardinals vs. Rangers
Thu.	June 27	— Orioles vs. Red Sox
Fri.	June 28	— Cardinals vs. Red Sox
Sat.	June 29	— Rangers vs. Angels

Golf Lessons To Be Given At H-H Club

Dale Newman, golf pro at Hunsley Hills Golf Course, announced this week that free lessons for ladies and young people will begin later this month at the course.

Newman said ladies' lessons will be held May 14, 17, 21 and 24. Group lessons begin at 9 a.m. each day. The lessons will be at no charge.

Junior lessons for young people ages 10-17 begin June 4 and will be held June 7, 11, 14 and will end in a junior tournament on June 26. The lessons will also be taught by Newman at no charge.

A 9-hole Florida scramble is scheduled at the golf course at 4:30 p.m. May 14, Newman said.

Athletic Banquet For CJHS Set

Athletes at Canyon Junior High School will be honored at a banquet Friday, May 10 at 7 p.m. in the junior high cafeteria.

The outstanding football, basketball and track athletes will be honored. For the first time, the fighting heart award for football will be awarded.

A dance will be held immediately following the giving of the awards.

Girl's Softball To Organize

There will be a meeting for all girls ages 11-14 who are interested in girls' summer softball at 10 a.m. at the Little League Ball Park Saturday. At 10:30 a.m., all girls ages 8-10 who are interested in summer softball will meet at the ball park.

Girls' softball season will start May 30. All games will be played on Tuesdays and Thursday. The all-star game will be played July 4.

Girls' softball is sponsored by the Kiwanis Club of Canyon. Vaughn Nelson is the director of the program.

GENE HOWE NEWS

First Grade Student Plays Big Hit At PTA Meeting Monday

By TROYCE MULHERIN GREETINGS:
OUR FIRST GRADE students learned from experience that sturdy counts — especially when it comes to constructing a home impervious to the big, bad wolfie. The house of straw fell. The house of wood fell. And, the audience fell. The audience fell in love with the youngsters, though. Precious they were during the presentation of the "Three Little Pigs!"

STEPHANIE MARTIN SERVED as narrator. The first little pig was really Ginger Bell; the second little pig was Leslie Childers and Tracy Betty played the part of the third little pig. Brent Mitchell was a convincingly mean ol' wolf.

Daryl Robertson, John Hicks, Glin Moore, Don Meier, Britt Foster, Brent Zachary, Royal Yarbrough, Lynn Vanlandingham, Jay Edwards and Dewayne Kyle comprised the rhythm band.

CHORUS MEMBERS WERE Karen Cates, Jennifer Hill, Marisa Maxwell, Linda Stone, Shellie Holt, Stephanie Camouse, Robin Stallings, Venie Grawold, Sheri Golden, Randy McGee, Kip Camfield, Delbert Hollis and Brett Copeland. Chris Baker, Garrod Ashford, Wally Reiser, Danny Bryant and Walter Morris weren't really trees — they just played the part realistically.

THE SECOND SHORT play presented last Monday night at Gene Howe was entitled "The Gingerbread Boy." Boy, did that boy ever learn a lesson. Learned it a little late in the game, though. Just because he outran the little ol' woman and the little ol' man, and the cow and the horse and all the towns people, he thought he could outrun the crafty ol' fox. Not so.

GAY GIBSON SERVED as narrator. Lenna Pryor proved to be a fleet-of-foot gingerbread boy for most of the play. Missy Boyer was the little old woman and Robert Boothe was the little old man. Steve Norrod was the cow, and Nini Pender played the part of the horse. The full-tummed wolf part was played by Eric Denton. Rita Mayfield, Peri Benham, Valerie Scoggins, Tony Jones, Kira Burgan, Kimberly Thompson, Gina Byrom and Heather Wait were towns people.

PAM HOLT, LAURA Webb, Renee Clark, Lisa Detten, Vicki Hetzler, Michelle Marrs, Jackie Whitten, Rebecca Boyce, Stephanie Plank and Lori Moser comprised the rhythm band.

LORI ROTH, DAWN Davee, Karen Graham, Denise Stewart, Diana Conner, Michelle Robinson, Todd Howard, Don Spake, Chris Seth, Shannon Baker, Todd Wilcox, Donnie Byers, Jim Roberts and Tonya McCoy proved to be a lively chorus.

OUR MARGIE PHILLIPS served as music director for the productions. And, the first grade teachers, Alicia Niemeier, Pam Layman and Loy Gerald, assisted in the plays. Several very talented first grade mothers made the scenery. All for the enjoyment of a full house. Thank you youngsters, teachers and parents for an entertaining evening!

THOSE OF US who were ahead of the game and got the plantin' done before Saturday's rain were entitled to a little smirking. Then there are those of us who are still contemplating putting the little seeds into the ground. Drats! There were some of us out of pocket at "rain time," and weren't able to get home either, until the waters ebbed. Oh well, any port in a storm...

ON THIS COMING Monday night, May 13, there will be a really big show at Gene Howe. With a take off on the theme of "Up With People," our sixth grade choir students will be entertaining us with musical numbers encouraging brotherhood, people-to-people kindness, etc. These numbers will be presented in a jazzy-type manner the youngsters like so well. Do plan to come. The toe-tapping action will start at 7 p.m.

PRE-SCHOOL DAY HAS been set for May 9, at 1:45 p.m. The "program" is geared to introduce pre-schoolers and their parents to our school and its "program." An exciting time for the little ones.

THE TRACK MEET is set for the 10th at Gene Howe; and, the awards assembly is scheduled for May 17. More later.

TO BRING YOU up to date on our community education classes: The artists in the painting class are creating a storm. Well, they are creating, anyway. Lots of fun. The interior design course started last Thursday with ten eager learners giving Ann Palmer their devoted attention. The second class this Thursday will find our decorators going on an informative and interesting field trip!

A SUMMER CLASS in upholstery is scheduled to run concurrently with the summer school classes planned at Gene Howe. The upholstery class will start on June 11 and run through July 16. These classes will be

held on Tuesdays and Thursdays, starting at 9 a.m. and ending at noon. The thirty hours of instruction will cover a five-week period. More information will be forthcoming. Might want to jot this down on your calendars now, though.

REMEMBER THE "VARIETY Night" our students at Gene Howe treated us to recently? Remember the paltry admission charge? Well, with this admission charge, and with a little help from the Gene Howe PTA, our school now has a spot light all its very own. This little jewel will add immeasurably to the programs given at our school. A light shining on the little "lights of our lives." A special thank you to our sixth grade students, who did a lot of the work connected with the presentation of the "Variety Night." These

youngsters took care of all the details, ticket selling, etc.

NOW, THIS MAY not sound like a lot — but, Gene Howe now has an automatic eraser cleaner! The PTA contributed this little jewel. Admittedly, such purchase has unfortunately deprived the youngsters the fun of banging the erasers against the side of the school building in the pretense of cleaning the chalk dust from same. The silly thing works like a vacuum cleaner. Sure is nifty.

A "GET WELL Soon" message to Darla Campbell, daughter of Darlene. Following a hurried visit to the emergency room at Northwest Texas Hospital last Sunday afternoon, Darla is home and recovering from her trampoline accident. We love you, little one!

SHONDA PALMER,

DAUGHTER of Mr. and Mrs. Don Palmer, and April Howard, daughter of the Everett Howards, were recently selected to serve as seventh grade cheerleaders at the junior high in Canyon. On Monday through Thursday of last week, these girls and thirteen others hollered around (they called it practice).

ON FRIDAY ALL the girls hopefully strutted their stuff for the judges. Shonda and April joined with Debbie Detten, Dee Dee Plank and Cheryl Roberts in being selected as the five finalists. When the hollering subsided, our Gene Howe girls were selected to serve in this capacity; and, Dee Dee Plank from Rex Reeves was selected as alternate. Congratulations to each of these energetic screamers' leaders!

A HAPPY BIRTHDAY to Don Palmer as of the 30th. The

Palmer's parted with very special house guests, the Bob Fullers from LaHabre, Calif.

AMY WHITE, DAUGHTER of Winona and Jimmy, was recently honored in being nominated as one of two Cadet Scouts from Amarillo to journey to Scranton, Pennsylvania. The whole deal in a nutshell is termed, "A Sport Life Trip." While there for 2½ weeks, the Cadets will participate in any and all sports for which they have energy. Golfing, swimming, tennis, horse riding, mountain climbing, etc. are all on the agenda.

SIXTY YOUNG LADIES, from various parts of the U.S., each sponsored by their local councils, will gather for this fun time experience. The purpose of the meet is to enable the Cadets to meet with other girls who have like interests, and to give them

the opportunity to increase their proficiency in sports. Amy has earned the Challenge of the Arts and the Challenge of Social Dependability.

NOW IS THE time to wish Amy's mom, Winona, a very happy on the 8th. Hope this is a very good, absolutely wonderful, marvelous day for a very deserving, absolutely wonderful, marvelous person!

JAY EDWARDS, SON of Sarah and Bill, turned seven big years old last Saturday. He and his pals celebrated with cake, cookies and a trip to Wonderland Park. Joining in on the ride-riding and happy-wishing were John Hicks, Lynn Vanlandingham, Greg Cates, Chris Seth, Tracy Betty, Pam Holt and Leslie Childers.

SEVERAL MEMBERS OF the Palo Duro Nation (Gene

Howe) of the Y Indian Guides recently won honors during the Indy 500 Race. The entries (cars) were made jointly by fathers and sons.

GREG CORONADO WON first place for the most original car. He carved teeth and eyes on his formidable-looking vehicle.

JOHN HICKS TOOK third place in this category. John adapted a soft-drink bottle for his entry. (The wheels were epoxied on).

KEVIN WAIT TOOK third place for the fastest moving car in the Palo Duro Nation. All the guides, young and younger, had a grand time.

HAVEN'T HAD AN opportunity to talk with these birthday people, but feel sure they won't mind being wished a happy day: Denise Finke aged a year on the 8th. Shari Solbrig's big day is

today, the 9th. Judy Aduddell and Alexis Hefley will be receiving wishes, presents and swats this Friday. Amy Detten's big day is on the 12th, which also just happens to be Mother's Day.

BE SURE TO remember your mom! Seems we appreciate our moms more and more as we grow older. (Personally speaking — Mom — thank you for your love and even more for your patience and even more than that for looking the other way occasionally.)

KNOW THAT THINGS are really poppin' now and that everyone is involved in lots of interesting activities. So, why not call 352-6053 and share your news!

THANKS FOR THE use of the hall.

Happy News

Honors And Awards At Rainbow, Jaycee And Jaycee-Ette Affairs

By MARY NEAL HENRY
HAPPY RAINBOW ASSEMBLY honored their Mothers at the annual Mother-Daughter Rainbow Banquet given by the Happy Chapter of the Order of Eastern Star Monday evening in the dining hall of the Masonic Lodge Hall.

RUTH SIMS, WILLA Jane McManigal and Ann Williams acted as hostesses to serve a fried chicken dinner, potato salad and jello salads, to Connie and Jo Hand, Doris Gilham, Susan, Denise and Wauwayne Cope, Stone Cope, Sheri and Mary Henry, Mary Ann and Ora Mary Sims, Nancy and Vivian Woods, Edna and Janet Foster, Lavenna and Debbie Jackson, Becky and Mary Stubblefield, Traverne and Marcus Vermeire, Jan and Freda Whitlow, Sandy and Joyce Railsback, Shawn and Betty Walters, Doretta Anderson and Leja Grubb, Connie and Diane and Lisa Johnson, Beverly and Evelyn Dowd, Dottie and Lisa Foster, Debbie and Brenda and Cathy and Faye Parker, Oma Lee Lowry, Lenna

Parker, Kim and Christi and Mary McCaslin, Roberta Cox, Louese White, Pam Andrews, Kay Harvey, Bonnie Briscoe, and Past Mother Advisors, Evelyn Shipman, Gladys Haley, Willa Elliott, and Ruth Mann.

CATHY PARKER PRO- NOUNCED the invocation. Connie Hand welcomed the guests and read "What Is A Mother?" Connie's mom, Jo Hand, responded by reading "Mothers Were Once Daughters" by Helen Steiner Rice.

THE MOTHER ADVISOR, Faye Parker gave the instruction on Grand Assembly which will be held in San Antonio this year on June 17, 18, and 19. Happy and Canyon plan to charter a bus together and leave on Saturday night, June 15. They will return on June 20, arriving that morning.

SUPREME ASSEMBLY was also discussed during the evening for any who planned to attend on July 26, - ? in New Orleans.

CATHY PARKER PRE- SENTED the plans for her Open Installation of officers on May 25. Cathy will be installed the Worthy Advisor.

SHERI HENRY AND Debie Jackson received their ma- jority certificates from Rainbow

for having attained the age of twenty. Louese White presented the certificates to these two and Connie Hand acted as Faith. Beverly Dowd played the music for the ceremony.

RUTH SIMS RECEIVED her Masters degree of education from WTSU on Saturday evening at the civic center in Amarillo. Terry Wright, son of Lonas and Moon Wright, received his BS in Science of Agriculture. Tommy Forsythe, son of Jane and Ross Forsythe, received his BA in Science. David Penn, son of Alice and Bill Penn, received his BS in Business Administration. David is now married to Kaye and lives in Amarillo with his wife and twins. Celia Lumpkins and Jim Fellers also received their BS degrees. Debra White, a daughter of Shirley and Mack White of Canyon and a granddaughter of Merle and Ernest White of Happy, received her BS in Business Administration.

ANGELIQUE AND I en- joyed the graduation. It was most impressive. The Paul Heils were there. Phoebe's brother graduated. We also saw Lonas, Moon and Sue Wright and Roland Moore. Jim Bob Sims was there. And the Odell LaGrone's were there to see their oldest son graduate. We understand that he will go on to medical school this fall.

METHODIST Church and held all the offices in the Women's Society of Christian Service. She had taught Sunday school classes for twelve years, been a member of Delta Kappa Gamma, had served as a Brownie leader in Tulia Girl Scouts, held all offices in Wayside Home Demonstration Club and been a member of the Swisher County Home Demonstration Council. Cora Belle was an artist - in painting, in sewing, in decorating, and even in living. She married Leroy (Bud) Roberts in 1934 in Hereford. Bud both taught school and farmed and we remember him most as the greatest basketball coach, a title he still holds. They lived in the Vigo Park - Wayside areas and in Tulia.

SURVIVORS INCLUDE HER husband; two daughters, Princess Gruben of Wayside and Deltah Roberts of the home; a granddaughter; a brother, Roland Moore of Vago Park; and three sisters, Mrs. Mildred Graham of Olton, Mrs. Lucy Culwell of Tulia and Mrs. Neva Priest of Plainview.

SCHOOL BOARD MEMBERS who attended the workshop in Canyon on Wednes- day of last week were Burl Sims, Faye Hand, Tom Henry and Lonnie Todd. Superintendent Sam T. Bryan also attended. Tom saw many there he knew - such as V. H. Harman, Jr. and Gene Parker, both formerly of Happy.

SARA TIREY, Kaye Venhaus, Skip Simons, Cyndie Starkey, Betty Stockett and Jeanne Johnson; and Hopping Hen Travel Awards to Dotty Foster, Judy Shipman, Joy Freeman, and Skip Simons.

JEANNE JOHNSON RECEIVED the coveted Outstanding Jaycee-Ette Award. Doretta Anderson received the Outstanding FIRST year Jaycee-Ette Award. Dotty Foster gave the annual president's report. She traveled 5,918 miles during the year.

TEN YEAR MEMBERS were also honored. Those five charter members who have remained members of Happy Jaycee-Ettes receiving plaques inscribed "For ten years dedicated service to club and community" were Judy Shipman, Joy Freeman, Lavenna Jackson, Della Venhaus, and myself, Mary Neal Henry.

POOPED HEN AWARDS were presented to Dottie Foster and Della Venhaus. Dotty Foster was also presented her past president's pin and a silver tray by Skip Simons, incoming president. (Dotty also got a hot pink gas can for when she runs out of gas and an "Oklahoma credit card" in case all else fails.)

DELLA VENHAUS INSTALLED the Jaycee-Ette officers: president, Skip Simons, vice president, Jeanne Johnson; secretary, Sara Tiry; treasurer, Betty Stockett; state director, Doretta Anderson; and director, Dotty Foster.

VIOLA.

HERBERT WILKES IS in Neblett Hospital after surgery on Wednesday morning.

ETHEL (GRANDMA) FOR- BUS is in Neblett Hospital.

HOMER KINSEY IS in Neblett Hospital after suffering a stroke.

ONA HOLLAND IS home again.

4-H STATE COMPETI- TION on demonstrations will in- clude Brenda Parker with her demonstration of home environ- ment; Lisa Payne and Kim Mc- Caslin with their demonstration of Texas community improve- ment; Ronnie McDonald and Neal Odom with their demon- stration of pasture and forage; and Eddie Joe Pearson and the Vago group in the Share The Fun. We wish you each to be winners.

DEBRA MAGNESS, DAUGHTER of Mary Ann and Don Magness, has been elected the new Tri-State High School Rodeo Queen of Happy. Debbie will compete in a queen contest with others over this area.

SUE WRIGHT, JACKIE Crabtree, Brenda Railsback and Sharon Dietz, all of Happy, will hold offices in the Delta Eta Chapter of the Zeta Tau Alpha at WTSU for the coming year.

HAPPY CHAPTER #562, OES, met Tuesday evening for business which included plans and preparations for the coming installation and for a memorial

program for those members who have passed away this year. Re- freshments of strawberry short- cake and ice cream were served to about 20 members.

THE WOMEN'S STUDY Club of Happy met with Mrs. Bob Francy and Mrs. Ernest White served as co-hostess. The pro- gram topic was "Challenge and Change in the Home." Roll call was answered with your favorite convenience food. Willa Elliott served as program chairman. A food quiz concluded the pro- gram.

MR. AND MRS. G.A. Dietz have purchased the Stephenson home and will now reside in town.

THE HAPPY VOLUN- TEER Fire Department will sponsor a rabies clinic at the fire station in Happy on Saturday, May 25th, from 2 to 5 in the after- noon. Dr. Markham will vac- cinate dogs and cats for \$4 per animal.

PATRONIZE THE FHA Stanley party today at the home of Mr. and Mrs. Lee Moore. It will begin at 2:45.

HAPPY RAINBOW GIRLS will sponsor a bake sale on Satur- day at Sexton Grocery.

See ya! Mary Neal

THE BIG NEWS again is RAIN. Almost two inches this time. Hail fell in some areas, but we were fortunate.

MARGARET KNOX IS hos- pitalized in Northwest Texas in the Intensive care unit. Margaret is showing some improvement. Remember her!

ONA HOLLAND WAS reported in High Plains Baptist Hospital.

MRS. LEROY (CORA Belle) Roberts died Monday morning, May 6, just after ten o'clock.

SHE WAS A patient at High Plains Baptist Hospital. Funeral services were Wednesday afternoon at two o'clock in the First United Methodist Church of Tulia and burial was in Wayside. Rev. Carl Nunn, pastor officiated.

CORA BELLE WAS a retired school teacher (taught in Happy when I was in the third grade - I remember her most for having taught us Spanish that year.) She had also taught in Wayside, Darouzett and Tulia. She was a graduate of WTSU and had served as president of the Wesleyan Service Guild of the

THE FRESHMAN CLASS of Happy High traveled to Palo Duro Canyon Thursday afternoon for a class party. Spon- sors for this class were Jayne Gerald Weeks, Connie Johnson, Martha and Richmond Payne, and Mary and Charles McCaslin.

THE SUNNYHILL HOME Demonstration Club met Thurs- day morning, May 2, at Mary Jane Miller's lovely home. Plans were made for the Tasting Tea and for honoring our Woman of the Year, Gwynn Tuck.

HELEN BRYAN, PRESIDENT, called the meet- ing to order. Business included a council report given by Lavenna Jackson; nominee for state delegate to be elected at council; donation to Senior Citizen Lun- cheon of \$5; and the Installation of officers for the coming year. Nominee to be presented to council was Mary Neal Henry. The State THDA Annual meeting will be held in Amarillo on Sept. 17, 18 and 19.

MRS. MARY JANE Miller installed these officers: president, Gwynn Tuck; vice president, Lou Dougherty; coun- cil representative, Lavenna Jackson; and reporter, Betty Miller.

COFFEE, COKE AND cookies were served to Helen and Rowdy Bryan, Mary Wilhelm, Bertie Culp, Jo Hand, Maurine Allison, Mary Neal Henry, Mary Jane Miller and little Lloyd Rahlis, Traverne Vermeire, Lavenna Jackson, Hermion McNeill, Phyllis and Darren Bryan, Gwynn and Melissa Tuck, Betty Miller, Lou Dougherty, and Shirley Williams.

LOU DOUGHERTY AND Maureen Allison attended the Cancer Seminar in Amarillo on Wednesday of last week. Joy Cox is Cancer chairman in Happy and Mrs. Louie Bonds is Swisher County chairman.

HAPPY JAYCEES AND Jaycee-Ettes held their annual installation banquet on Satur- day evening at the Happy Jaycee Hall. Clubs from Plainview, Hereford, Pampa and Amarillo were represented. A big thanks to those residents of Happy who came to show their appreciation to these clubs for their com- munity support and participation.

GEORGE TIREY WAS the Master of Ceremonies for the evening. Lloyd Rahlis led the Pledge of Allegiance to the flag. Ronnie Johnson pronounced the invocation. A dinner of barbecue, catered from Amarillo, was served by the Happy Rainbow Girls. Faye Parker and Louese White helped the girls serve.

AFTER DINNER, MAYOR Foster Harman welcomed the group to Happy and expressed appreciation to the Happy Jaycees for the civic im- provements. Phyla, Foster's wife, accompanied him to the banquet.

DOTTY FOSTER, RETIRING Jaycee-Ette president, presented these Jaycee-Ette awards: SPOKE to Doretta Anderson; Feather Your Cap to Dottie Foster, Della Venhaus, Susan Rahlis, Judy Shipman, Joy Freeman, Jeanne Johnson, Betty Stockett and Skip Simons; Have Your Say to Dotty Foster, Della Venhaus,

PRESENTED Jaycee awards to these Jaycees: SPOKE, Leon Anderson, Ronnie Cheek, and James Vick; Spark Plug to C. R. Wesley, Randy Johnson, and A. J. Malone; Road Runner to Norman Freeman; George Tiry received both Speak Up and Spark Plug; Dean Bryan received Speak Up and Spark Plug; Jim Whitlow, Dick Foster, Gene Shipman, Lloyd Rahlis received all three awards, Speak Up, Spark Plug and Road Runner awards.

OUTSTANDING CHAIR- MEN OF the month were presented certificates: May to Gene Shipman for the ROC program; June to Jim Whitlow for Little League; July to James Stockett for the Tri State Rodeo Concession; August to Lloyd Venhaus for the parade; September to Dean Bryan for the Labor Day Rest Stop; October to A. J. Malone for the Wesley-Sims Memorial Roping; November to C. R. Wesley for the family pic- nic; December to Norman Freeman for office work; January to George Tiry for the DSA Banquet; February to Randy Johnson for the Com- munity Auction; March to Ron- nie Johnson for the emergency blood list; and April to Dick Foster for the Cancer Drive.

DICK FOSTER AND Lloyd Venhaus received the Exhausted Rooster certificates. A new award this year presented to the Jaycee with the most participation and known as the Hustler Award went to Randy Johnson.

JIM WHITLOW WAS voted Outstanding Jaycee by the club. Dean Bryan was the man chosen by President Vincent Venhaus to receive the key man award.

SEVEN CHARTER JAYCEES were awarded trophies for outstanding service for ten years of service. These were Duane Stubblefield, Don Magness, Tom Henry, Eugene Jackson, Lloyd Venhaus, Norman Freeman, and Gene Shipman.

JIM WHITLOW AWARDED Vincent Venhaus a past president's pin and a plaque and a hat comically monogrammed "El Paso" with all Jaycee's names.

BILL BLACKBURN, NATIONAL Director, installed these Jaycee Officers: vice president, Kirk Williams; second vice president, C. R. Wesley; secretary, Bill Whitlow; treasurer, Randy Johnson; state director, Vincent Venhaus; and directors, Gary Barrett and Dean Bryan.

EXECUTIVE NATIONAL DIRECTOR Bill Duggan installed Jim Whitlow as president of the Jaycees. Jim Whitlow set as his goals for the year service to humanity and chose to serve his community this year in whatever capacity that service presents itself.

DOTTY FOSTER ALSO honored her husband, Dick, by presenting him a speech of appreciation and a gift for his year of patience and understanding.

BILL BLACKBURN, NOW from Amarillo, stated as he rose to participate in the installation services that he "left Happy about fourteen years ago." Bill is a national Jaycee officer.

KAREN HINTON HAS been named Valedictorian of the Happy Schools for this year. She is the daughter of Mr. and Mrs. William Hinton and plans to attend Texas University at Austin in the fall. Mary Ann Sims, the daughter of Mr. and Mrs. E. E. Sims, has been named Salutatorian and also plans to attend Texas University in the fall.

GRADUATING FROM LCC this spring will be Dan Sheets, Janet Moudy, Susan Moudy and Cathey Jo LaRow.

ZANE GRUBB AND Kyle Todd are the American Legion choices for Boys State this year. Lonnie Tackitt has been chosen

about 50 PERSONS at- tended the Beef-A-Rama sponsored by Happy CowBelles and Terra Cotta CowBelles at the First Baptist Church Tuesday morning. Frank Brooks of Texas Agriculture Products demon- strated cutting a three inch thick chuck roast into a soup bone, two rib-eye steaks an inch and a half thick and a boneless roast... thereby providing three meals for a couple out of a \$1.79 a pound roast. A home economist demon- strated meat cookery.

FOUR CUTS OF beef were given as door prizes. Mrs. Ernest White won a brisket which is good for barbecuing; Mrs. Alden Mann won the stuffed flank steak; Mrs. Bob Sims won the steaks and Mrs. Ross O'Daniel of Tulia won the chuck roast cut into the soup bone, steaks and boneless chuck. Free recipes and beef charts were handed out.

A TEXAS INDUSTRY In- formation Council meeting was recently held at the Yum Yum Tree in Canyon. Plans were made to begin coverage of the news media of Texas with beef in- formation. Those attending were Charles and Linda Payne from Hedley, Roy Faubian and Marn Tyler of Hereford, Alice Allen of Tulia, Anne Herick of Amarillo and myself, Mary Neal Henry, President of Texas CowBelles.

A MEETING OF Texas Cow- Belles, TAP, and Texas Cattle Feeders was held Tuesday after- noon in Amarillo. Literature was adopted by these groups for use as beef education this fall. A public relations workshop was tentatively planned for the first week of June. American Na- tional will give the instruction and information.

Methodist Church and held all the offices in the Women's Society of Christian Service. She had taught Sunday school classes for twelve years, been a member of Delta Kappa Gamma, had served as a Brownie leader in Tulia Girl Scouts, held all offices in Wayside Home Demonstration Club and been a member of the Swisher County Home Demonstration Council. Cora Belle was an artist - in painting, in sewing, in decorating, and even in living. She married Leroy (Bud) Roberts in 1934 in Hereford. Bud both taught school and farmed and we remember him most as the greatest basketball coach, a title he still holds. They lived in the Vago Park - Wayside areas and in Tulia.

SURVIVORS INCLUDE HER husband; two daughters, Princess Gruben of Wayside and Deltah Roberts of the home; a granddaughter; a brother, Roland Moore of Vago Park; and three sisters, Mrs. Mildred Graham of Olton, Mrs. Lucy Culwell of Tulia and Mrs. Neva Priest of Plainview.

SCHOOL BOARD MEMBERS who attended the workshop in Canyon on Wednes- day of last week were Burl Sims, Faye Hand, Tom Henry and Lonnie Todd. Superintendent Sam T. Bryan also attended. Tom saw many there he knew - such as V. H. Harman, Jr. and Gene Parker, both formerly of Happy.

ANGELIQUE GAY HENRY celebrated her ninth birthday with a party in Stephen- son Memorial Park in Happy. Cupcakes, ice cream and tea were served to Joanna Hurst of Tulia, Kaye Lynn Stubblefield, Mandi Shipman, Karen Danner, Shelley Peterson, Gennie Jackson, Molly Parker, Tisha Selvidge, Rocelia Vandergriff, Tricia Hargraves, Vicki Todd, Kim Foster, Tammy Williams, Connie Venhaus, Melissa Harvey, Sheri Henry, Oma Hayes, myself, and Angelique. Favors were sacks of candy, gum and balloons.

THE FRESHMAN CLASS of Happy High traveled to Palo Duro Canyon Thursday afternoon for a class party. Spon- sors for this class were Jayne Gerald Weeks, Connie Johnson, Martha and Richmond Payne, and Mary and Charles McCaslin.

THE SUNNYHILL HOME Demonstration Club met Thurs- day morning, May 2, at Mary Jane Miller's lovely home. Plans were made for the Tasting Tea and for honoring our Woman of the Year, Gwynn Tuck.

HELEN BRYAN, PRESIDENT, called the meet- ing to order. Business included a council report given by Lavenna Jackson; nominee for state delegate to be elected at council; donation to Senior Citizen Lun- cheon of \$5; and the Installation of officers for the coming year. Nominee to be presented to council was Mary Neal Henry. The State THDA Annual meeting will be held in Amarillo on Sept. 17, 18 and 19.

MRS. MARY JANE Miller installed these officers: president, Gwynn Tuck; vice president, Lou Dougherty; coun- cil representative, Lavenna Jackson; and reporter, Betty Miller.

COFFEE, COKE AND cookies were served to Helen and Rowdy Bryan, Mary Wilhelm, Bertie Culp, Jo Hand, Maurine Allison, Mary Neal Henry, Mary Jane Miller and little Lloyd Rahlis, Traverne Vermeire, Lavenna Jackson, Hermion McNeill, Phyllis and Darren Bryan, Gwynn and Melissa Tuck, Betty Miller, Lou Dougherty, and Shirley Williams.

LOU DOUGHERTY AND Maureen Allison attended the Cancer Seminar in Amarillo on Wednesday of last week. Joy Cox is Cancer chairman in Happy and Mrs. Louie Bonds is Swisher County chairman.

HAPPY JAYCEES AND Jaycee-Ettes held their annual installation banquet on Satur- day evening at the Happy Jaycee Hall. Clubs from Plainview, Hereford, Pampa and Amarillo were represented. A big thanks to those residents of Happy who came to show their appreciation to these clubs for their com- munity support and participation.

GEORGE TIREY WAS the Master of Ceremonies for the evening. Lloyd Rahlis led the Pledge of Allegiance to the flag. Ronnie Johnson pronounced the invocation. A dinner of barbecue, catered from Amarillo, was served by the Happy Rainbow Girls. Faye Parker and Louese White helped the girls serve.

AFTER DINNER, MAYOR Foster Harman welcomed the group to Happy and expressed appreciation to the Happy Jaycees for the civic im- provements. Phyla, Foster's wife, accompanied him to the banquet.

DOTTY FOSTER, RETIRING Jaycee-Ette president, presented these Jaycee-Ette awards: SPOKE to Doretta Anderson; Feather Your Cap to Dottie Foster, Della Venhaus, Susan Rahlis, Judy Shipman, Joy Freeman, Jeanne Johnson, Betty Stockett and Skip Simons; Have Your Say to Dotty Foster, Della Venhaus,

PRESENTED Jaycee awards to these Jaycees: SPOKE, Leon Anderson, Ronnie Cheek, and James Vick; Spark Plug to C. R. Wesley, Randy Johnson, and A. J. Malone; Road Runner to Norman Freeman; George Tiry received both Speak Up and Spark Plug; Dean Bryan received Speak Up and Spark Plug; Jim Whitlow, Dick Foster, Gene Shipman, Lloyd Rahlis received all three awards, Speak Up, Spark Plug and Road Runner awards.

OUTSTANDING CHAIR- MEN OF the month were presented certificates: May to Gene Shipman for the ROC program; June to Jim Whitlow for Little League; July to James Stockett for the Tri State Rodeo Concession; August to Lloyd Venhaus for the parade; September to Dean Bryan for the Labor Day Rest Stop; October to A. J. Malone for the Wesley-Sims Memorial Roping; November to C. R. Wesley for the family pic- nic; December to Norman Freeman for office work; January to George Tiry for the DSA Banquet; February to Randy Johnson for the Com- munity Auction; March to Ron- nie Johnson for the emergency blood list; and April to Dick Foster for the Cancer Drive.

DICK FOSTER AND Lloyd Venhaus received the Exhausted Rooster certificates. A new award this year presented to the Jaycee with the most participation and known as the Hustler Award went to Randy Johnson.

JIM WHITLOW WAS voted Outstanding Jaycee by the club. Dean Bryan was the man chosen by President Vincent Venhaus to receive the key man award.

SEVEN CHARTER JAYCEES were awarded trophies for outstanding service for ten years of service. These were Duane Stubblefield, Don Magness, Tom Henry, Eugene Jackson, Lloyd Venhaus, Norman Freeman, and Gene Shipman.

JIM WHITLOW AWARDED Vincent Venhaus a past president's pin and a plaque and a hat comically monogrammed "El Paso" with all Jaycee's names.

BILL BLACKBURN, NATIONAL Director, installed these Jaycee Officers: vice president, Kirk Williams; second vice president, C. R. Wesley; secretary, Bill Whitlow; treasurer, Randy Johnson; state director, Vincent Venhaus; and directors, Gary Barrett and Dean Bryan.

EXECUTIVE NATIONAL DIRECTOR Bill Duggan installed Jim Whitlow as president of the Jaycees. Jim Whitlow set as his goals for the year service to humanity and chose to serve his community this year in whatever capacity that service presents itself.

DOTTY FOSTER ALSO honored her husband, Dick, by presenting him a speech of appreciation and a gift for his year of patience and understanding.

BILL BLACKBURN, NOW from Amarillo, stated as he rose to participate in the installation services that he "left Happy about fourteen years ago." Bill is a national Jaycee officer.

KAREN HINTON HAS been named Valedictorian of the Happy Schools for this year. She is the daughter of Mr. and Mrs. William Hinton and plans to attend Texas University at Austin in the fall. Mary Ann Sims, the daughter of Mr. and Mrs. E. E. Sims, has been named Salutatorian and also plans to attend Texas University in the fall.

GRADUATING FROM LCC this spring will be Dan Sheets, Janet Moudy, Susan Moudy and Cathey Jo LaRow.

ZANE GRUBB AND Kyle Todd are the American Legion choices for Boys State this year. Lonnie Tackitt has been chosen

about 50 PERSONS at- tended the Beef-A-Rama sponsored by Happy CowBelles and Terra Cotta CowBelles at the First Baptist Church Tuesday morning. Frank Brooks of Texas Agriculture Products demon- strated cutting a three inch thick chuck roast into a soup bone, two rib-eye steaks an inch and a half thick and a boneless roast... thereby providing three meals for a couple out of a \$1.79 a pound roast. A home economist demon- strated meat cookery.

FOUR CUTS OF beef were given as door prizes. Mrs. Ernest White won a brisket which is good for barbecuing; Mrs. Alden Mann won the stuffed flank steak; Mrs. Bob Sims won the steaks and Mrs. Ross O'Daniel of Tulia won the chuck roast cut into the soup bone, steaks and boneless chuck. Free recipes and beef charts were handed out.

A TEXAS INDUSTRY In- formation Council meeting was recently held at the Yum Yum Tree in Canyon. Plans were made to begin coverage of the news media of Texas with beef in- formation. Those attending were Charles and Linda Payne from Hedley, Roy Faubian and Marn Tyler of Hereford, Alice Allen of Tulia, Anne Herick of Amarillo and myself, Mary Neal Henry, President of Texas CowBelles.

A MEETING OF Texas Cow- Belles, TAP, and Texas Cattle Feeders was held Tuesday after- noon in Amarillo. Literature was adopted by these groups for use as beef education this fall. A public relations workshop was tentatively planned for the first week of June. American Na- tional will give the instruction and information.

Scouts Planting Chamber's Pecans

The women's division of the Canyon Chamber of Commerce were present for meetings of several Canyon Girl Scouts this week to instruct the young scouts on the proper planting of pecan trees.

Pecans for planting in coffee

News Brief

Canyon's S.P.R.Y. Club will meet this afternoon, May 9, at 2 p.m. in Fellowship Hall of the United Methodist Church for fellowship and recreation.

cans were distributed to the scouts and they were given instruction by Martha Kent and Linda Elliott of the sponsoring group.

"We are hoping that several will get their pecan trees to grow, and when these youngsters are in early adulthood we will have pecan trees throughout Canyon," stated Martha Kent.

"Pecan trees are the state tree and are very slow growing, but with the tender loving care of these scouts, we hope to see several trees in the city in years to come."

Canyon Firemen received the alarm too late to save this house occupied by Keith Stevens from being destroyed by fire. The house had been burning for 15 to 20 minutes before Don McRoberts, who had built the house, spotted the blaze while driving by on the Palo Duro Canyon Highway. According to Jack Jennings, Canyon Fire Chief, brick layers in Canyon had seen the smoke for 15 minutes before the alarm was turned in. Jennings said that the fire department was able to contain the fire when they arrived. All the contents of the home were destroyed.

E.A. Pierce of Canyon and his two poodles, Annette and Little Girl, take advantage of the low rate for rabies inoculation at Markham Veterinarian Clinic on Friday. Shots given Friday and Saturday were \$3 each. Rabies inoculation will cost \$5 beginning Monday. Citizens of Canyon have been warned by local officials that the leash law will be enforced this spring and summer.

Geology Course To Be Conducted In Colo. Mounts

Students enrolled in Geology 310 at West Texas State University will never see the Canyon campus this summer. Their classroom is in the rugged San Juan mountains near Salida in south central Colorado.

Dr. Robert Burton, head of the West Texas State Geology Department, says about 25 are expected to enroll in the six weeks course.

"It's not what you would call a 'snap' course," says Burton. "The men and women enrolled will be climbing all over those mountains. The instructor of the class keeps them pretty busy. As a matter of fact, it has to be raining so hard you can barely see before he will call off a lab."

That is the kind of regimen the students can expect when they report for classes in Salida on June 3. During the one summer semester, they will have a chance to earn six credit hours while learning mapping techniques, refreshing themselves on the origin of various rocks, and bonding up on mineral economics.

The camp has become a well-established part of many schools' summer geology program. Students from as far away as New Jersey will attend this season's rustic lab sessions. They get credit for their work through the WTSU Geology Department. That credit can then be transferred to their home school.

During the mountaineering classes, the students will be housed in the Salida High School Building. Instructor for the course is Dr. Ray Harris

Benefit Concert Scheduled May 11

Amarillo Alumnae Chapter of Mu Phi Epsilon will present Judith Balo, soprano, in a special benefit concert Saturday afternoon, May 11, at 2:30 p.m. in social hall of Polk Street Methodist Church.

Miss Balo will be accompanied by Raenell McDonough. The concert will also feature university students and faculty in the orchestral accompaniment of Mozart's "Exultate, Jubilate," directed by Dr. Gary Garner.

Miss Balo is a post-graduate student in voice at West Texas State University. Her teacher is Miss Elsa Porter, Assistant Professor of Voice. After receiving the B.M.E. degree in voice from WTSU, Miss Balo completed graduate work at the University of Southern Mississippi. While there she was a student of Mr. Marion Nowakowski. A summer opera workshop at Villa Schifanoia in Florence, Italy enabled the soprano to coach with Tito Gobbi. Then followed a year of independent study in Rome and additional coaching with Luigi Ricci.

Miss Balo has accumulated many significant awards as a young professional. They include a scholarship for opera workshop with Boris Goldovsky,

winner of Southwest Division MTNA Collegiate Artist Auditions, the Shreveport District MET auditions, winner of Hemphill-Well-Sorantin Competition, and winner of Shreveport Symphony Artist Auditions.

Some of the leading roles sung by Miss Balo include "Susanna" (Marriage of Figaro), "Fiordiligi" (Così fan tutte), and "Musetta" (La Bohème). In addition, she has appeared in several

musicals of the WTSU Opera Workshop presentations.

Solo recitals and symphony guest appearances have brought fine reviews in this country and abroad. Professional memberships include Alpha Chi, Who's Who in American Colleges and Universities, and Mu Phi Epsilon.

The benefit concert is open to the public.

Songs commissioned by Mu Phi Epsilon "The Lamb," "Love's Secret" and "Give Sentence With Me, O Lord," all by Walter S. Hartley, will be presented along with "Die Forelle" by Schubert, "Les trois Prieres" by Paladilhe, "Depuis le jour" (Louise) by Charpentier, "Lungi dal caro bene" by Secchi, "Nel cor piu non mi sento" by Paisiello, "Angiol di pace" (Beatrice di Tenda) by Bellini with Elsa Porter as soprano and Johnny Johnson as tenor, "Ah! fors'è lui sempre libera" (La Traviata) by Verdi.

Five Greek folk songs by Ravel will be presented including "Chanson de la Marée," "La

ois, vers l'église," "Quel galant m'est comparable," "Chanson des cueilleuses des lentilles" and "Tout gai". Also presented will be Mozart's "Exultate, Jubilate" (K. 165).

Performing in addition to Miss Balo, soprano; Raenell McDonough, piano; Elsa Porter, soprano; and Johnny Johnson, tenor; will be Dr. Donald Todd, Greg Shaffer, Jim Caddell and Carla Groves, violins; Robert Krause and Joy Daniels, oboe; with Don Harrington, viola; James Wolden and Jim Walters, cello; Joslyn Sheets, bass; Emerson Haraden and Donna Saylor, horns; and Dr. Gary Garner, conductor.

Frigidaire. Home Environment Division of General Motors.

Introducing

The Touch-N-Cook Range from Frigidaire and General Motors.

Easy cooking is right at the tip of your finger. Just touch the control you want, touch the time and temperature settings you need. The Frigidaire Touch-N-Cook Range remembers your cooking instructions with precision. And it's precision you can count on thanks to the dependable 100% Solid-State circuitry of the Touch Control Panel. You'll find cleaning just as easy as cooking with the Touch-N-Cook Range. The control panel is flat and smooth, wipes clean with a damp cloth. So is the one-piece ceramic cooking surface. And no special cookware is required. The oven? Just lock the oven door, and with the touch of a finger it begins cleaning itself automatically.

Palisades Palaver

By MILDRED TURNER
I STOPPED NEAR the gate the other day and met Bill Boothe who is fairly new out here. He showed me his cellar and around the place. His wife has had surgery recently and is not well, but I am looking forward to visiting her when she feels up to having company. Mr. Boothe is a Security Guard and talked very favorably about helping us as same at the gate. We want to

extend a welcome to our community.
...
THE PALISADES BOARD meeting was last Monday evening at Dora Waldrops. Since Mr. Messer did not make it out to cut the bridge down as expected, the board discussed it with D. L. Brackeen (who was at the meeting) and he talked like some of his men might do this for the metal. Isn't this great?

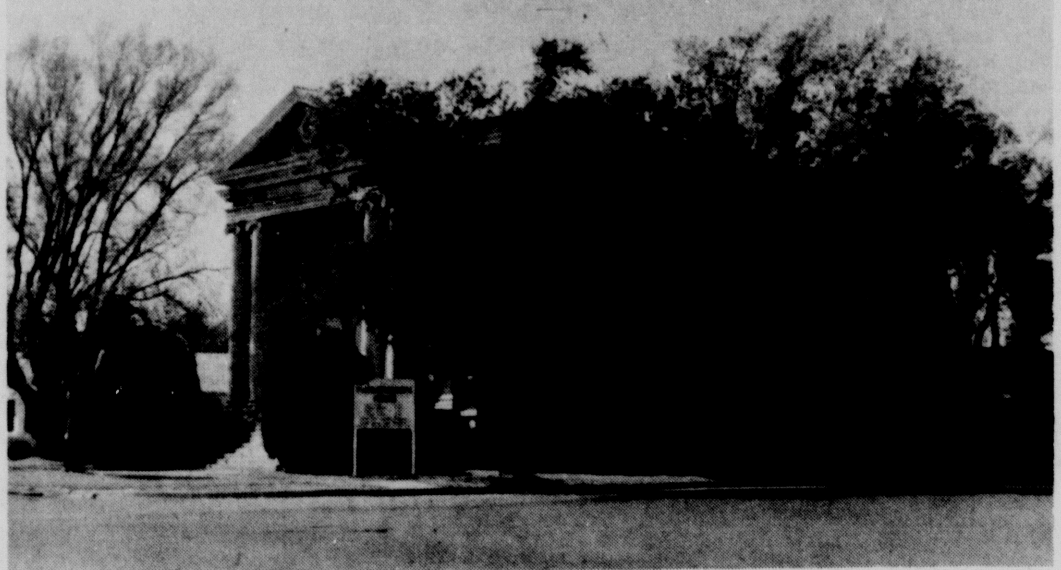

WATCH THE BULLETIN for work program because there will be a lot of help needed. Also discussed was the gate, roads and the Spring Picnic which will be June 1. (Details later, also on bulletin.)
...
THE GATE WILL be locked all the time in the near future (I understand) so start carrying your keys regularly. Guests at the board meeting were D. L. Brackeen and I.
...
TALKED WITH MRS. Cannon Monday and her youngest daughter who was in the hospital from the bike accident is back in school and on the road to recovery, although she tires easily and requires a lot of rest. We are all glad she is home and better.
I HAVE MISSED talking to Valorie but the McClendon's

baby was just down the hall from the Cannon's daughter and Lorain Inman was telling me the baby is home now, we are glad to report.
...
AUDREY MITCHELL ALSO got to come home from the hospital last Saturday where she has undergone about a week of tests. Audrey is Joyce McDonald's sister. I heard that Paul McDonald quoted the doctor as saying "Never examined a head so empty before." Audrey takes that teasing real well!

SARA, OUR NUMBER two, John and Heath were in over the week end from Tenaha, Tex. (near Longview). They are quite excited about the ranch, taking out some of the lumber, clearing, fencing, getting ready for the cattle. We (Webbs and Baileys) gathered at my house for lunch, games and visiting.
...
ON FRIDAY NIGHT we went to a hamburger cookout at Mrs. Bowie's (John was the chef) and played ball in the back yard. Later in the evening Sheree Turner, Beulah and John Bowie played the piano for us.
...
SATURDAY, THE GANG all went to the Webbs for Mexican food and visiting. Sunday afternoon, after church, my brother Clay from Hereford came over with his family to visit with us and the Baileys and Webbs. The Baileys had company. Some went fishing, hiking, some rode cycles, and some played Skip Bow or Frisbees outside. It was such a beautiful day following the lovely rain the night before.

MARGIE AND ERNEST Carlile, Cora Gardner and Irene Parker were in Childress Sunday for the Golden Wedding Anniversary of Margie's brother. There were around one hundred fifty to two hundred people celebrating with them. I know they had a lot of fun with all their friends; as Childress is these three sisters' old stomping ground.
...
HAVEN'T GOT TO talk to Myrtle Forster lately but know Robbie has got to visit her as she waned in passing recently.
...
JUST SAW LUM and Lena at the mail boxes. Lena had brought him home from the Neblett Hospital where he had been for a week with bronchial pneumonia and tests being run. Glad you are home. Take care.
...
TUESDAY I STOPPED and chatted with Mrs. Robinson at the "Y." Isn't their house going up fast? She showed me her house. The northeast corner will be the store part. "It will be similar to the 'Toot and Totums,' she said. We welcome the Robinsons to our canyon.

CHIEF OF POLICE Hulseley spoke at our church last Sunday morning, which was a real blessing. Following the Praise Festival at the Civic Center, there was an outburst of rebellion in the city of Amarillo with assaults, seven people shot, some hospitalized, but the Chief called in extra troops. Also, as things began to get rough, prayer groups all over were called to prayer. The trouble makers called several places; the police station, TV stations, etc., saying they would burn Amarillo to the ground by Saturday night, but you know Amarillo was pretty wet Saturday night!
...
WE THANK GOD for the great revivals which are breaking out all over America (the riots have had the headlines long enough and should not have space in the news!) We thank God for the lovely rain, for what He is doing in this area and for neighbors like you.
M.T. 622-0701

OFFICIAL DEDICATION rites for the new First United Pentecostal Church of Canyon will be held this week end beginning with services Friday. The church is located at 1319 5th Avenue and is the former home of the Presbyterian Church.

Pentecostal Church Slates Dedication

Official dedication services for the First United Pentecostal Church of Canyon will be held Friday, Saturday and Sunday of this week.

worship at 7 p.m.
Pastor for the local congregation is Calvin Rashall

who invites the public to attend any and all of the services for the new church in Canyon.

Indian Traders Are Featured In Museum

A new exhibit at the Panhandle-Plains Museum on the West Texas State University campus features "Los Comancheros" — Spanish, New Mexico and Pueblo Indian traders whose traffic in buffalo robes bolstered both Mexican and New Mexican economy.

The Comancheros, named after the Comanche Indians, introduced horses, saddles, bits, bridles, wool blankets, iron weapons and tools and metal jewelry to the Indians.

Their trade with the Indians developed in the 17th century and reached major proportions by the 1800s. In exchange for their Eastern goods, the Comancheros were given buffalo robes, deer skins, buckskin cloth and dried meat.

The museum has exhibited a woolen blanket, a bit, a small pistol and other articles commemorating their presence here in the Panhandle.

University Club To Install Slate

University Study Club members will convene at the home of Mrs. Jim Jorke on Brookhaven Friday morning for an end-of-the-year coffee and installation rites for new club officers.

Events will begin at 10 a.m. according to Mrs. Myron Dees, outgoing president.

Night Of One-Act Plays To Be Presented

Drama I classes at Canyon High School will present three one act plays tonight at the high school auditorium. The plays will begin at 8 p.m. Admission charge for adults is \$1 and students 75 cents.

Plays to be presented are "The Lottery," "Under the Sycamore Tree" and "Once Upon A Playground."

All plays will have scenery designed by the students. Also students will serve as directors of the plays.

Student directors for "Once Upon a Playground" are Carla Dwyer and Judy Batenhorst. The cast includes Teresa Davis, Debbie Bromlow, Mary Carroll, Debbie Mitchusson, Darla Carthal, Diana Davis, Leslie Gallemore, Leisa Ferguson, Keith Gafford and John Watkins.

Those in charge of makeup are LeAnn Fletcher, Sherrie Ramsdell and Candy Burrows. Members of the publicity committee are Norma Smith, Conception Issarza, Melinda Richie, DeAnna Reagan, and Jackie Holman. Hospitality committee members are Kim Steelman, Vickie Gerber, Nancy Baker and Robena Johnson.

Members of the cast for "The Lottery" are David Madewell, Ernie McBrayer, Joe Mike Carter, Kirt Schnook, Frank Pritchard, Carla McAvoy, Valerie Davis, Maurine Bonds, Myndie Hicks-Evans, Julie Garrett, Cindy Fuller, Dennis Scott, Susan Cox, Marci Davis, Cindy Cawthon, Enola Allen, Debbie Tidwell and Dennis Scott.

In charge of the lights are Steve Miller and David Melton. Mike Smith is in charge of publicity and Marilyn Robinson is in charge of the costumes.

The cast for "Under A Sycamore Tree" is made up of Reba Pace, Roy Schieckadanz, Quentin Ely, Brad Phillips, Don Thompson, Judy Addull, Bob

Lee, Stacie Wright, Kelli Wright, Kenny Seitz, Richard Fowler, Charles Pigg, Kathy Adkins and Sylvia Rittenberry.

Those in charge of makeup are Toni Smith, Cindy Golliugh, Mary Beth Carroll and Stacie Wright. Roma Johnson, Guinnette Witt, and Jeanie O'Donald are in charge of costumes.

The stage is designed by Diana Lee, Andy Grimes, Tony Mitchell and Mark Collier.

Those in charge of makeup are Toni Smith, Cindy Golliugh, Mary Beth Carroll and Stacie Wright. Roma Johnson, Guinnette Witt, and Jeanie O'Donald are in charge of costumes.

Members of the cast for "The Lottery" are David Madewell, Ernie McBrayer, Joe Mike Carter, Kirt Schnook, Frank Pritchard, Carla McAvoy, Valerie Davis, Maurine Bonds, Myndie Hicks-Evans, Julie Garrett, Cindy Fuller, Dennis Scott, Susan Cox, Marci Davis, Cindy Cawthon, Enola Allen, Debbie Tidwell and Dennis Scott.

In charge of the lights are Steve Miller and David Melton. Mike Smith is in charge of publicity and Marilyn Robinson is in charge of the costumes.

The cast for "Under A Sycamore Tree" is made up of Reba Pace, Roy Schieckadanz, Quentin Ely, Brad Phillips, Don Thompson, Judy Addull, Bob

Lee, Stacie Wright, Kelli Wright, Kenny Seitz, Richard Fowler, Charles Pigg, Kathy Adkins and Sylvia Rittenberry.

Those in charge of makeup are Toni Smith, Cindy Golliugh, Mary Beth Carroll and Stacie Wright. Roma Johnson, Guinnette Witt, and Jeanie O'Donald are in charge of costumes.

The stage is designed by Diana Lee, Andy Grimes, Tony Mitchell and Mark Collier.

Stewart Warns Of Bicyclists

Canyon Police Chief Al Stewart warned motorists this week that as spring and summer weather blossoms so does the number of children and adults on bicycles.

He asked motorists to be particularly careful during the summer months as bike riders take to the streets.

Stewart also warned bicyclists that they are subject to Texas' motor vehicle laws just as are automobile drivers.

Oro Grain Sorghum the shape of a winner.

Here's what you can expect from Oro. Expect and get... because Oro is the grain sorghum that performs.

Yellow endosperm hybrid. Wide adaption. Medium maturity. Adapted for both dry land or irrigated conditions. One of the top yielders in actual field trials. Double row or narrow row plantings. Responds to high rates of fertilization and irrigation. Excellent standability. High test weight. Resistant to head smut, MDMV, anthracnose.

Plants...38-48 inches tall with wide leaves

Head Exsertion...4 to 7 inches

Blooms...in 60 to 70 days Ready to harvest...in 100-125 days

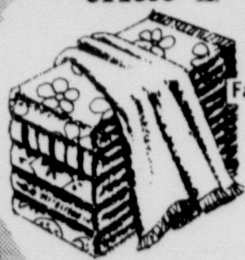

Head size...semi-loose, 8 to 10 inches
Now you can see why we call it a winner. Stop in. Ask us about Oro.

Life At Siesta

Sale Is Fun

By EARLINE BENHAM
THE LADIES AUXILIARY sponsored a garage sale Saturday and Sunday. The results and attendance were amazing. The leftovers are being stored in the recreation hall basement for a future garage sale.

THE LADIES ARE already gathering items for the next garage sale, which will probably be in the fall. For those of you who didn't attend the sale, you missed some great finds. Among the treasures were two bicycles, mini bike, beds, air conditioner, and loads of miscellaneous.

WE HAVE PLANNED another Bingo game for May 31 at 8 p.m. We had a wonderful turnout last month and are looking forward to seeing more new faces. Bring your friends and come on out. Canyon E-way and McCormick Road.

AN APRIL 30TH fire demolished the home of the Kirby Sundermans at 133 Siesta. Siesta is very sad about this tragedy. The fire is suspected of being caused by the water heater.

THE SUNDERMANS HAVE a baby girl. Luckily no one was harmed. We'd like to thank the Amarillo and Canyon Fire Departments. They were very organized and efficient. We understand that Canyon is a volunteer department.

AMAZINGLY, THEY WERE only four or five minutes behind the Amarillo truck. Siesta plans to have their truck in a very short time and would very much like to have a spokesman from the Canyon department come talk with us.

HOME HINTS
THE NEXT TIME you wax your floors, wax the bottom of your rockers and chair legs too. It will prevent a lot of unsightly marks from forming on your shiny masterpiece.

DECORATIVE CANDLES USUALLY keep their shape better and burn much longer when chilled in the refrigerator before use.

AN APPLE, CUT in half, inside an air tight container with bread or cake, will keep the bakery goods moist and flavorful for days.

THE NEXT TIME your whipping cream refuses to whip, try adding an egg white to the liquid.

I'D LIKE TO use this opportunity to say "Happy Mother's Day" to all of the "Domestic Engineers" that so many people refer to as "just a housewife."

WEAKER SEX
The weaker sex is understood. To mean the whole of womanhood. But I have yet to find a man who knows when it is weaker than.

Foreign Classroom For Course

The classroom for one summer course being offered by West Texas State University's geography department will be over 1500 miles away. Another unique feature is the faculty-student ratio: it'll be almost one-to-one.

Dr. Robert Sawvell, the geography department head, and political science department chief Dr. Travis McBride will take three students to Central America for a 14 day short course.

"If you take more than five people," says Sawvell, "you can't go in a normal automobile. That would mean a bus. If you do that, there's no way you can go in without someone seeing you and calling attention to you. By so doing, you simply can't view the general pattern of life in the village."

Sawvell says the presence of strangers causes one of two reactions.

"They get out of sight because they don't want anything to do with you, or they rush up to you. In either case you lose a chance to see how the village functions."

Sawvell, McBride, and their mini classroom will be gone for 14 days beginning May 10. Sawvell is a specialist in South and Central American Geography with particular interest in the Costa Rica-El Salvador region.

Their first stop will be Costa Rica. Sawvell is interested in showing his students the pressure put on the environment by over population. In both places, an attempt will be made to blend the studies of geology, sociology, and history.

Dr. Sawvell hopes trips like this will lead to the establishment of an international studies curriculum at West Texas State some day.

National Chi Omega President On Visits

Chi Omega sorority's national president, Mrs. L.R. Bowker of Little Rock, Ark., was in Canyon for a visit with the university

Mrs. L.R. Bowker

chapter of Chi Omega and alumnae divisions in Canyon-Amarillo area recently.

Mrs. Bowker represents the national offices of Chi Omega Sorority in Cincinnati, Ohio. While in Canyon she visited in the campus unit at Shirley Hall, and was entertained by the alumnae at an informal brunch last Saturday at the home of Mrs. T.L. Cabbage, 3531 Bremond in Amarillo.

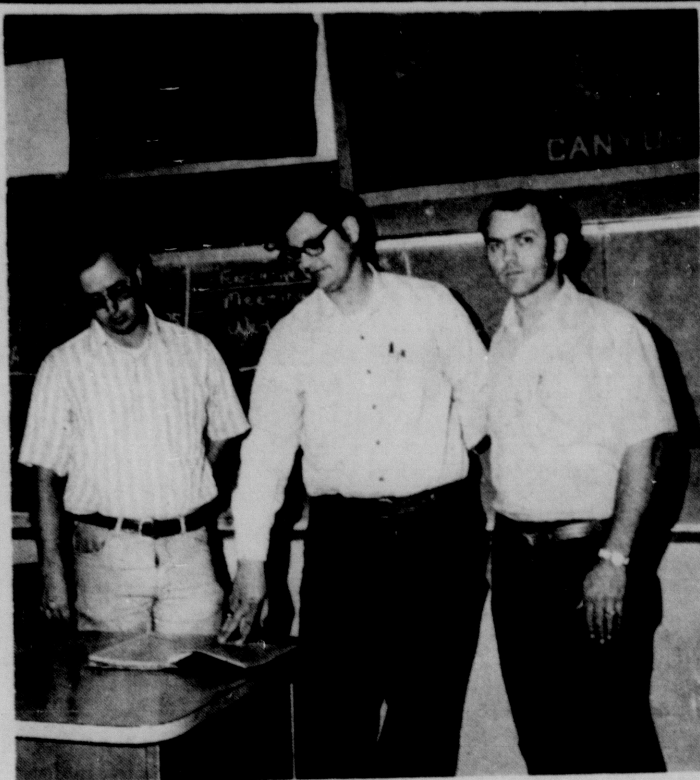

As guest speaker for Founder's Day, Mrs. Bowker addressed both alumnae and actives at a dinner banquet at the Amarillo Club last Saturday evening and departed Sunday to visit with chapters at Texas Tech University in Lubbock.

Les Amies Jr. Club Elects Officers

The Les Amies Junior Club conducted officer election recently at the home of Kelly Cox.

Elected were Mary Lisa McBride, president; Roma Johnson, vice president; Brenda Oliver, secretary; Christi Prichard, treasurer; Susie Nix, reporter; Jo Beth Price, program chairman; Cathy Bullock, yearbook chairman; Brenda Stevens, parliamentarian; Cindy Gollighugh, telephone chairman; and Anna Bland Thompson, ways and means.

Project topics for the 1974-75 year were planned to include a garage sale and car wash. Next meeting will be at the home of Anna Bland Thompson, May 21.

Canyon High School Agriculture teachers study an application that the local chapter will make to enter the National Chapter Award Program. This application represents the accomplishments of students and advisors. It has taken four years for the chapter to get into position to apply. This is only the second time for the local chapter to apply. The last time the local chapter was named runner up in the competition. Only 20 or less of the 1100 chapters in the state will be named to this award program. Jim Walker, Robert Wink, and Ron Davis are the local agriculture advisors. They will all three be leaving after this year.

Ecumenical VBS Sign-Ups Begin

Pre-registration for the Ecumenical Vacation Bible School will be conducted beginning Sunday, May 12, with sign-up sheets available at five local churches.

The sign-up sheets will be available at the First Presbyterian Church, First Christian Church, St. Ann's Catholic Church, United Methodist Church, and St. George's Episcopal Church. The sheets will also be ready for sign-ups on Sunday, May 19.

The Ecumenical VBS is scheduled for June 11-14 and June 18-21 for three year old students who attained the age on or before September 1, 1973 through the fourth grade students. VBS hours for the two weeks will be from 9 a.m. until 11:30 a.m.

Fifth and sixth grade students will have a day camp session at

Palo Duro Canyon June 10-14.

Student And Teacher To Attend Symposium

Russell Killingsworth, junior student at Canyon High School and Mrs. Charles Braahier, a chemistry and physics teacher at CHS, have been selected to attend the 14th annual Texas Nuclear Science Symposium June 3-6 at the University of Texas at Austin.

More than 500 of the state's top science students and teachers will attend the symposium which is jointly sponsored by the Texas Atomic Energy Foundation and the University of Texas.

Southwestern Public Service Co. is sponsoring 42 High Plains participants, including the Canyon student and teacher.

Killingsworth was a sophomore class president and vice president of the student council. He will serve as president of the student council during the 1974-75 school year. He is a member of

the Drama Club, Theatians, National Honor Society and was the outstanding sophomore English and chemistry student.

Mrs. Braahier holds a B.S. and M.S. degree from West Texas State University and has taught in the Canyon school system for the past 10 years. She is the treasurer of the Canyon Classroom Teachers Association and is listed as a Leader in American Secondary Education for 1973.

Leading scientists and engineers from education and industry will address the symposium and the participants will tour the laboratories at the university, including those in which the TAERF program for thermonuclear fusion research is being carried out.
